## PROVIDE AN INCOME FOR A RAINY DAY.

### THE GOLDEN STAR GOLD MINING CO., OF MONTANA.

CAPITAL \$300,000 DIVIDED INTO 300,000 SHARES OF \$1 PAR VALUE EACH. NON ASSESSABLE FOREVER.

This company owns 2 gold mines located in a county which produced \$3,000,000 in gold in 6 years. Has 45 acres of virgin land. Has 500 feet of underground work in shape of shafts and tunnels. Has ore in sight worth \$100 per ton. Has assays from \$25 to \$1,500 per ton. Has shipped on netting \$50 per ton. Has only a small apportionment, only 300,000 shares and not 1,000,000 shares as other companies.

The company intends to sink a shaft through the rich \$100 ore vein to a depth of several hundred feet, in order to be able to produce largely for the benefit of the stockholders which will get this profit in large monthly dividends. Hence the company offers a small amount of its stock at the extremely low price of 25 cents a share.

These shares are the best investment on the financial market today and are better than Government bonds as they will pay bigger interest. Write at once for reports and other literature.

## Original Poetry.

SEEKING REST.

Written for the Democratic Advocate, BY OLIVE LLOYDE.

Away from the toll and strife and care, I plead to Him the one who knoweth best: But still with all my longing longers as yet, I know no rest, no rest.

I Land of Rest, for thee I sigh, With my weary breast, The echo swells back no reply, Or echoes sigh of rest.

I sigh for thee, alas! 'tis all in vain; To hear the sea I never can more venture. The yearning of my heart's for rest, I seek for rest, for rest.
