THIN PEOPLE,

We Advocate VINOL As a Means To Regain Normal Weight.

A decline weight generally foretells a serious illness. Take our advice and keep an eye on your weight. If you find it is falling off, take our advice again and take VINOL. The reason we recommend VINOL is that we know what it contains. We have investigated its merits. We thoroughly endorse this great tonic re-builder.

So sure are we of the satisfaction it will give that we unhesitatingly offer to refund the cost of VINOL to anyone who is not satisfied with the results obtained by its use.

Please read the letter that we print herewith, that bears on the subject and which we know will interest you. It comes from Mrs. W. B. Genner of Lakewood, New York.
"My normal weight is 175 lbs. When I began taking VINOL I weighed not over 100 lbs. Everyone thought I was going to die with consumption. As a last resort I decided to try VINOL, and to the astonishment of all, I began at once to get better. I have taken in all not over two bottles as yet, but have gained in flesh over twenty pounds and more than that in strength."
Please call on us and let us tell you more about what VINOL will do.

Woman's Opportunities in Washington.

Mr. Henry Loomis Nelson, in his article on "The Capital of Our Democracy" in the May Century, gives much attention to the civilizing social influence of Washington. He has this to say of the opportunities it offers to women:

In the hotel parlor, where one studies the American citizen on her first contact with life at the republican court, one is very likely to find the woman who is destined to step from the lowest moving circle to the next, and on and on until she reaches that small and stationary center where the police arts are understood and practised most politely. Washington and the official position of her husband give her the opportunity she needs. She may go to Washington with the hearty and frank outspokenness of the church fair, and quit it with the purr of the dinner-party. An intelligent woman has told me that very clever American women who have entered Washington gowned in brocade put together at home
