ABSORBED BY

The Sykesville Lumber, Coal & Grain Company, Inc.

Capital, \$50,000.00

We beg to announce that the business and good will of The Sykesville Lumber and Coal Company has been purchased by Wade H. D. Warfield & Co. The combined business has been incorporated with Fifty Thousand Dollars (\$50,000) capital and will be known as The Sykesville Lumber, Coal & Grain Company, Inc. Mr. Wade H. D. Warfield becomes president of the new corporation. Mr. A. F. Arrington, the proprietor of the Sykesville Lumber & Coal Co. withdraws from the business to devote his time to his other large business interests.

Mr. Charles H. Sullivan, manager of the above company, is now associated with the new firm and will have charge of the Mill Work Department.

The purchase not only embraces the stock of lumber, mill work and coal, but also the lumber yard property of the Sykesville Lumber & Coal Co.

The business of the two firms will now be operated with one office and selling force, which will materially reduce the expense of handling the output, and which will make the cost of Building Material to the public cheaper than ever before. The entire stock will be handled both wholesale and retail. The firm has an interest in one of the largest mills in the South and will distribute lumber not only over Maryland but adjacent states as well. The buying public will save the middleman's profit, as all material will be handled direct from the manufacturer to the consumer.

The stock as heretofore will embrace besides building material—Hardware, Coal, Cement, Lime, Fertilizer, Salt, Grain, Flour, Feeds and Seeds.

The Farmers' Exchange Elevator will become a public elevator and will be operated by the new firm.

The management means to cover a much larger territory and to make Sykesville one of the largest distributing points for Building Material in Maryland. Especial attention will be devoted to furnishing supplies in large quantities to Individuals, Contractors, Farmers' Clubs and Corporations.

Low Prices, Complete Stock and Prompt Delivery will be our constant aim.

Your patronage is solicited.

ELIAS N. DAVIS,

At the request of my friends and many Democrats, I hereby announce myself as a candidate for Judge of the Orphans' Court, subject to the decision of the Democratic primaries.
JOHN T. LYNCH.

To The Democrats of Carroll County:—

Since announcing my candidacy for the nomination of State's Attorney, I have received many assurances of support at the coming primaries, which expressions of confidence and interest are both encouraging and gratifying.

I find that this year voters are asking candidates some straightforward questions. They are asking, Have you held public office before? If you have been a candidate for public office heretofore and did not receive the nomination of the party, did you then, after the nominations were made, faithfully support the party nominees?

In the elections of 1909 and 1910, the Democracy of Carroll County by their votes certainly said in no unmistakable language, that the people who do the voting demand the right and privilege of making the nominations and they emphasized the fact that men who have heretofore held public office are not entitled to nominations above the men who have not equal claim to the office and have not been nominees. The people demand that faith in the party success and loyal work for the nominees shall have been the test by which candidates are to be judged.

Personally I place party success above my own individual candidacy. I prefer the success of the Democratic party above my own and believe and trust in the good judgment and sense of a square deal of the people of this County. If you, my fellow Democrats find upon investigation that I measure up to the standard you have set for the candidates this year, I trust that I may have your support and votes. I am willing to submit to the judgment and action of my party.
CHARLES O. CLEMONSON.

To the Democratic Voters of Carroll County:—

I hereby submit my candidacy to the Democratic voters of Carroll county for the office of Judge of the Orphans' Court, and will be grateful for their support.
