

CHARLES E. FINK, DEMOCRATIC CANDIDATE FOR STATE SENATOR.

TO THE CITIZENS OF CARROLL COUNTY: As it will be impossible for me to call in person upon each one of you, I take this method of respectfully soliciting your votes and active support at the coming election.

MORE PLAIN TRUTHS.

To some of our friends, who are talking about what the Republican party will and can do if it comes into office, we would say not to overlook the "negro in the wood pile," and that the African brother is only waiting for a re-statement of an administration similar to the Lowndes regime, to become the offensive citizen of the State.

CORNSTALK DISEASE.

Look Out for Your Cattle If You Let Them Run in Fields. When cattle are allowed to run in stalk fields it frequently happens that a large per cent. die from various causes. All these troubles are classed under the one term—cornstalk disease.

Next Tuesday is Election day.

Chest Pains and Sprains

Sloan's Liniment is an excellent remedy for chest and throat affections. It quickly relieves congestion and inflammation. A few drops in water used as a gargle is antiseptic and healing.

Here's Proof "I have used Sloan's Liniment for years and can testify to its wonderful efficiency. I have used it for sore throat, croup, lumbago and rheumatism and in every case it gave instant relief."

SLOAN'S LINIMENT

is excellent for sprains and bruises. It stops the pain at once and reduces swelling very quickly.

Sold by all dealers. Price, 25c., 50c., \$1.00

High Prices. "The people are being oppressed everywhere by the excessive high prices of every necessity of life in control of the tariff protection, and all of the necessities of life that the trusts control and the only things that are sold at a reasonable price, are the farmers' wheat and corn."

Good Resolutions are only made effective with ballots.

On Being Calm.

One of the finest things within reach of the average individual is calmness.

It is also profitable. Calmness is the twin sister of comfort. The man or woman who has formed the habit of calmness is apt to be comfortable when others are uncomfortable.

Nor is it such a difficult matter to make this habit feel enough at home to become a member of the family! For calmness is about ninety per cent. freedom from fear.

As a rule, the person who is not calm is afraid of something or somebody. Afraid of self, perhaps. And that is the most disconcerting sort of fear.

The way to be calm is to be calm. When the winds of adversity or disappointment or discouragement are seeking to ruffle your mental seas, keep remembering that there is no such thing as a comfortable passage with the waves beating high. So, keep calm.—Philadelphia North American
