COURT HOUSE NEWS.

GRAND JURY ADJOURNED YESTERDAY AFTER BEING IN SESSION NINE DAYS.

Court Still in Session—Several Cases Disposed Of.

Grand Jury Report.
The Grand Jury adjourned yesterday afternoon after a session of nine days. Its report is as follows:
To The Honorable, the Judges of the Circuit Court for Carroll County, Maryland: For the Term of Carroll County, for the November Term 1911, having finished the investigation of all matters brought to their attention, and in accordance with custom, respectfully report unto your Honor as follows:—
That we have been in session nine days, during which time we have received the reports of four constables and one of K. Weigle, chief of Police of the City of Westminster; examined sixty-nine witnesses in our investigation of twenty-eight cases; found twenty-five presentments and true bills and dismissed three cases.
They further report that they investigated the Election Law, and in our opinion, we have found no willful violations, but, on account of its being new, it was not as fully understood by some of the Candidates; especially those who were to be elected as Committeemen, and a few of the Candidates for office who have since made every effort to fulfill the requirements of the Law, and we advise that all parties in the future coming under this Law should be most careful.
We beg to call the attention of the County Commissioners for Carroll County to the lack of officers through the County, to-wit:—constables, and recommend that the County Commissioners co-operate with the service of a good man, and make the remuneration such as to justify him to render good service.
They further report that, as required by Law, they visited the Jail of the County, and found therein fifteen prisoners, all male; examined the condition of the building, and found it clean and much better than reasonably could be expected, considering its age and un-modern construction. After returning to our room, the following Resolution was passed.
Resolved, That our County Jail is out of date, unsanitary, and not a decent place for a Sheriff and his family to reside; and therefore, we, as a body, recommend a new modern building; and further recommend that the Sheriff's residence be separate and private from the Jail; and we recommend, most emphatically, that the County Commissioners for Carroll County give this matter their serious consideration. The visit being at about mid-day, they were served with an excellent dinner by the Sheriff and his family which was much appreciated.
On the following day we visited the Alms House as has been the custom, and inspected the property, and found all in splendid condition; interviewed the inmates as to their treatment, and heard no unkind words, but on the contrary, nothing but praise for those in charge. We found two children at the Alms House, and we recommend that some disposition be made of them, that they may become useful citizens. We also found improvements made and nearly completed, namely:—an addition to the men's quarters consisting of two rooms, one of which was for hospital purposes, and the other for a stinging room, both of which have long been needed. There has also been laid a concrete sidewalk to the main building, which is an improvement.
We feel that the County is to be congratulated on the absence of any great amount of serious crimes, that have not been investigated by this body.
The Grand Jurors now respectfully ask that they be discharged, subject to the further call of your Honorable Court.
Respectfully submitted,
FERDINAND D. DIEFFENBACH,
FOREMAN.

Only a few immediate friends, outside of the family, were invited and participated in the anniversary event, which was an enjoyable one.

During the day many friends called and extended congratulations to the happy couple on having lived to celebrate a quarter of a century of happy wedded bliss, and hoped that twenty-five years hence would see them celebrating their golden wedding, and as tokens many handsome pieces of silver ware were received.

THE GOVERNOR'S APPOINTMENTS.

MUST BE MADE BY THE 40th DAY OF LEGISLATIVE SESSION.

The new Governor will be inaugurated at Annapolis January 9th. Shortly before he takes the oath of office in the Senate Chamber he will make his inaugural address in which he will outline the policies of his administration and which he will endeavor to have put in effect by the Legislature. The inauguration is generally a brilliant ceremony. In addition to being attended by many well-known people of the State, members of the Legislature and other workers of the party with which the Governor is affiliated usually turn out in full force.

When the new Legislature convenes on January 3rd, Governor Crothers will submit to his message. This is important, but the inaugural speech and the message of the new Governor usually have more effect upon the members of the Legislature. As soon as a new Governor is inaugurated he will be besieged by applicants for appointment and their friends. Under the law he must make all of his appointments, by the fortieth day of the legislative session.

BEATTIE ELECTROCUTED

DID NOT CONFESS — DIES AT 7.23 A. M.

Special Dispatch to The Advocate.
Henry Clay Beattie, Jr., who was convicted for the murder of his wife, was electrocuted in Richmond, Va., at 7.18 o'clock this morning. He was pronounced dead at 7.23.

He was resigned to his fate, met his death courageously and so far as is at present known made no confession. As the sixteen witnesses were all sworn to secrecy, it is impossible to ascertain further particulars.

It will be remembered that on the morning of July 13, Beattie took his wife out for a ride in his automobile and directed his machine out the Middlethian turnpike, a dark road bordered by heavy timber. He drove it into the Owen yard a little before 11 o'clock at high speed and with only his right hand on the steering wheel. With his left arm he held his wife's body in place on the front seat beside him. There was a gunshot wound below her right eye, which had instantly caused death. Beattie said that while driving slowly along the Middlethian turnpike a man had suddenly stepped out of the shadows by the side of the road, had cursed him for nearly running him down and then had raised a shotgun and fired point blank at him. Since he had suddenly stooped over to throw on his clutch, the charge had gone over his head, Beattie asserted, and had struck his wife.

The trial was begun before Judge Walter Watson, of the Chesterfield Circuit Court on August 20. The jury found a verdict of guilty on the first ballot, September 8. The Court of Appeals refused to reverse the decision or grant a new trial.

Sprengle.
Mrs. Margaret Sprengle, widow of the late Josiah Sprengle, died Monday at 8:40 p. m., at her home, in Hanover, Pa., after an illness of two days from pleurisy. She was aged 83 years 10 months and 15 days.

Mrs. Sprengle was a daughter of Mr. and Mrs. Henry Z. Buchen, late of Hanover, Pa., and moved to Hanover about 55 years ago, where she engaged in the millinery business, which she conducted for many years. Her husband died October 31, 1908, and an only son, Dr. J. Edwin Sprengle, died from injuries received in a runaway accident, some years ago.

The deceased is survived by one daughter, Mrs. Jennie Bechtel, widow of the late H. Ellsworth Bechtel, who is now lying critically ill at her home, from a complication of diseases. Menges.
Mrs. Jacob Menges, 52 years old, of near Brodbeck, Pa., committed suicide on Sunday by hanging herself in the attic of her home, probably in a fit of despondency.

Mrs. Menges ended her life while members of the family were attending services in the Stone Church. Some time after the return of her husband and the children from the services, a daughter, Esta, went to the attic and was horrified to find the dead body of her mother dangling from a rafter with a wash line twisted about her neck. She called her father, and the body was cut down, and a physician summoned.

The body was resting on the knees. The physician found that she had been dead for several hours.

The deceased before her marriage, was Miss Eliza Jane Brown, a daughter of the late Mr. and Mrs. W. H. A. Brown.

Besides her husband she is survived by three children, Misses Esta and Minnie Menges, and John Menges, all at home. One sister, Mrs. Mary Asper, of this county, and three brothers, Henry Brown, of York county, and David and Jacob Brown, of this county, also survive.

WESTERN MARYLAND LOSES.

In Contest With M. A. C. on Saturday.

The Maryland Aggies put it on to the Western Maryland boys on Saturday to the tune of 6 to 0.

In this game W. M. C. only succeeded in working the forward pass three times, while Captain Shipley for M. A. C. had fine luck, working the pass successfully seven times and missing but one opportunity.

The whistle Shipley kicked off to Billingslea, who was downed heavily, with no gain. Western Maryland gained only 5 yards around the Aggies' left end, and on the next down Sprague booted to the middle.

Shipley, M. A. C.'s star quarterback, returned the punt to Western Maryland's 30-yard line. Again the Green and White could not gain and was forced to punt. On the next play Western Maryland recovered a fumble on the Aggies' 30-yard line. Sprague missed a drop kick, this being the only time in this quarter that the ball was near the Aggies' goal.

Later, on Shipley's kick Johnson, for M. A. C., recovered the ball. From here Captain Shipley worked two forward passes for about 10 yards each, placing the ball on the 30-yard line.

Kemp by two line plunges placed the ball on the 10-yard line, enabling Captain Shipley to put it behind the post after a wide end run. He also kicked goal, making the score 6 to 0.

Sprague on the kickoff booted the sphere over Maryland's goal line twice, so at the end of the quarter it was the Aggies' ball on the 25-yard line.

No further scoring was allowed. The second half developed into a kicking duel between Shipley and Sprague, the former having a slight advantage. Western Maryland in this quarter tried five forward passes, only one of which was successful, this time being for 15 yards, Birdsall to Sprague.

Birdsall and Sprague, for W. M. College, played particularly well, the former opening up the line for several long gains.
