## To Our Friends and Customers:

Having sold our Dry Goods, Notions and House Furnishing Business to Nusbaum & Jordan, we earnestly solicit your same valuable patronage for them that you have so liberally given us for almost a quarter of a century, as we laid its foundation April 3, 1887, nearly twenty-five years ago.

Words will not express our appreciation of what you have done for us to help make this business what it is.

These young men will carry on the business with renewed energy and continue the same liberal policies to make the same "popular" store that it has been so long.

They need no introduction to the people of Carroll county.

Mr. C. Edgar Nusbaum clerked for us seven years, and the past seven years has had a very nice business of his own in New Windsor.

I. Scott Jordan. Almost every man, woman and child in Carroll county knows Scott, as he has been with us 18 years and helped largely to make the business what it is, a household name in almost every home in the county and part of the adjoining counties.

They have engaged the obliging and popular clerks whom many of you know so well. It is with deep regret we retire from the Dry Goods business. It has been like breaking up a home. We have had many expressions of sincere regret from our friends and customers, and even little children.

Our Clothing, Shoes, Hats and Men's Furnishing Business we will continue, where we hope to see many of you. Again we thank you and ask you to encourage and patronize Nusbaum & Jordan.

Sincerely,

The Miller Bros. Co.
