On Sunday afternoon last lightning struck the barn of Mr. Thomas A. Martin, near Maple Grove, tearing off some of the shingles and weatherboarding, breaking one of the big center posts and breaking two of the rafters. Also one of his horses was knocked down in the barn. His 8-year-old child, was knocked down in the house, about 50 yards from the barn. Fortunately both the boy and the girl did not start any fire.

Mr. Edward Albaugh, who conducted a blacksmith shop here for many years is now in the Union Protestant Infirmary, Baltimore, for treatment.

Quite a lot of our citizens are attending the great Democratic Convention in Baltimore this week.

A very heavy shower of rain, accompanied by hail passed over this neighborhood on Sunday afternoon last.

The buildings of the three Martin brothers were struck by lightning on Sunday afternoon last. The barn of Thomas A. Martin, near Maple Grove, was struck, his brother Charles' house—three miles farther East—was struck, tearing up a floor and breaking up a lot of furniture in the room; going about two miles still further East his brother Wesley's barn was struck causing considerable damage but none of the damage was caused by fire.

PARR'S RIDGE

Harvesting is now the order of the day and fine crops of hay and grain are being gathered, which makes the farmer put on broad smiles.

Corn, in most cases is looking bad owing to the many times it had to be replanted, but now and then one sees a field of fine corn which had been planted early and which goes to prove that the earlier this crop can be put into the ground, the better it is.

For the next two or three weeks the farmer will have to be out early in the morning and late in the evening, thus making long hours, as the saying goes, while the mechanic gets through with ten hours a day.

Social duties must be kept up too, even if it is a busy time, as a visit to any of our many picnics will prove.

Mr. Guy Leister, Mrs. Elmer Hoppe and Miss Cindy Hooper, of near Westminster, were visiting Mrs. Hooper's sister, at Monrovia, from Saturday until Sunday evening, at which time they left Monrovia and came to Miss Hooper's home, near Sam's Creek, and spent Sunday night with Miss Hooper's sister. Owing to some slight illness of Mrs. Hooper about dark, Mr. Leister was compelled to get out of his buggy and get in that of Mrs. Hooper and drive her to Miss Hooper's home, where they arrived about ten o'clock. After a hypodermic treatment at night, Mrs. Hooper and the others were able to leave Monday morning for their home.

Miss Larue Gunn is visiting relatives and friends in Baltimore and Elkton City.

Miss Catherine Crawford, of Cover, visited Mrs. Thomas J. Gunn last week.

What It Means

Many people do not know what a bank's Capital is for, or the difference between a bank with a small Capital and a small surplus or a bank with a large Capital and a large Surplus.

A BANK'S CAPITAL AND SURPLUS

Is the fund that protects the depositor from loss, therefore, the larger it is the greater protection the Depositor has. This bank has a

Capital.....\$50,000.00
Surplus fund of..... 80,000.00
Undivided profits of..... 40,000.00
Additional Stockholders Liability of..... 50,000.00

A total of.....\$220,000.00

This means that this bank must lose \$220,000.00 before its depositors could lose one cent. This protection is for YOU. When you think "Bank," think

NATURE'S WARNING.

Westminster People Must Recognize And Heed It.

Kidney ills come mysteriously. But nature generally warns you. Notice the kidney secretions. See if the color is unhealthy—

If there are settlements and sediment, Passages frequent, scanty, painful. It's time to fear serious kidney trouble.

It's time to use Doan's Kidney Pills. Doan's have done great work in Westminster.

J. F. Stem, Pennsylvania Ave., Westminster, Md., says: "For some time my kidneys were disordered. The kidney secretions were irregular in passage, causing annoyance, and I also suffered from backache. Doan's Kidney Pills, procured at Moore's Drug Store, soon made me well. I gave a statement in 1907 publicly recommending this remedy and I now confirm all I then said."

The above statement must carry conviction to the mind of every reader. Don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Stem had—the remedy backed by home testimony, 50c all stores. Foster-Milburn Co., Props., Buffalo, N. Y.

"When Your Back is Lame—Remember the Name."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

HELPED TO KEEP DOWN EXPENSES.

Mrs. J. E. Henry, Akron, Mich., tells how she did so: "I was bothered with my kidneys and had to go nearly double. I tried a sample of Foley Kidney Pills and they did me so much good that I bought a bottle, and feel that they saved me a big doctor's bill." For sale by all druggists.
