

2nd Demonstration Week of Aluminumware

WILL BE DISPLAYED IN WESTMINSTER

Monday, Sept. 23rd, and will continue until Saturday evening, Sept. 28th.

Beginning Monday, September 23rd, we will have an experienced lady demonstrator here to show you the many advantages and uses of "WEAR EVER" Aluminumware.

This demonstration will be on the first floor and will be complete in every detail. We will have a gas range here to prepare foods and expect to show you some of the most delicious cooking and baking that can be done.

A CHANGE IN THE MENU DAILY.

We want you all to come and see this great demonstration next week. The exhibition will be the largest ever displayed in Westminister and we desire you to see it. It will cost you nothing. We do not only ask you to come and see this great demonstration, but want you to sample the delicious foods prepared in the celebrated "WEAR EVER" Aluminumware.

We will have for the week to introduce this "WEAR EVER" Aluminumware a special price on a number of important utensils.

VERY GRATEFULLY YOURS,

HAIGHT.

We are pleased to know that Carroll county, after a lapse of several years, will hold an annual fair, and Smallwood is an ideal place for the purpose. I hope the citizens of the county will help to make it such a success that it will be made a permanent organization.

Several thefts are reported in this vicinity lately of various things. One man residing at Oakland Mills reports the loss of \$90 a few days ago. So far only one thief has been captured, red mouthed instead of red handed, and that one happened to be "Brer possum" by your correspondent in one of his brooders killing chickens last Wednesday night.

What sort of stunt is this the school board is getting off about the children having to furnish their own slates and stationary. I thought we had a free book bill, but this doesn't look much like it. While those articles do not cost very much yet when all the pupils in the state who attend the public school have to buy them it amounts to a right good sum. It looks rather bad for the appointing power of these boards this edict, as no such thing occurred under the Democratic administration.

Korner Bros., of North Branch, are running their flour mill day and night as they have several good big orders to fill. This mill when running to its full capacity is a good market for grain in this community.

Several of our farmers have begun cutting corn, which after all the trouble with cut worms, makes so much replanting, together with the hail and wind storms, but it will be a pretty good crop after all.

There ought not be any scarcity of pumpkin pies this year, as anyone who planted the seed this year has the pumpkins. Wm. N. Haight has so many that he will be puzzled to know what to do with them.
