

A DOZEN REASONS WHY:

Some Pungent Points Which Every Voter Ought to Study Out for Himself in this Campaign.

- A dozen reasons why I should vote against President Taft, because: 1. He signed the Payne-Aldrich Tariff Bill, and referred to it as the best tariff law ever enacted. 2. He vetoed the Farmers' Free List Bill, the Woolens Bill, and other bills reducing excessive tariff duties. 3. He has failed to take any steps to lessen the present high cost of living. 4. He supported Ballinger in his efforts to turn rich coal deposits in Alaska over to the Guggenheims. 5. He has used federal patronage to maintain a political machine manipulated in his behalf. 6. He abandoned his official duties to enter into an undignified scramble with his predecessor for re-nomination. 7. He has lost the confidence of his party and of the people. 8. He failed to support Dr. Wiley in his administration of the Pure Food Law. 9. His trust policy has helped the trusts and brought no relief to the people. 10. His administration has resulted in disappointment and failure. 11. He is a reactionary. 12. Ex-President Roosevelt, who knows him best, says of him: "He has proved faithless to the cause of the American people."

- A dozen reasons why I should vote for next President Wilson, because: 1. He is the only candidate for President who represents the real, the vital and the effective progressive forces in this country. 2. He stands for tariff revision downward in the interest of lower prices and the elimination of monopoly. 3. He stands for trust legislation which will prevent the control of prices through any sort of monopoly. 4. He stands for the income tax and believes wealth should share the burdens as well as the blessings of government. 5. He stands for the rights of labor and the protection of the man who earns his bread by the sweat of his brow, as shown by his record as Governor of New Jersey. 6. He stands for the revival of our merchant marine, and for Government encouragement of agriculture, industrial and vocational education. 7. He trusts the people and believes the governed should govern; and that Senators should be chosen by the people. 8. He faithfully performs in office the promises made out of office. 9. He will "CLEAN HOUSE" at Washington, as he "CLEANED HOUSE" in New Jersey. 10. He preaches and practices clean politics, and practices it effectively. He unalterably opposes machine politics and the rule of the bosses. 11. He stands for legitimate big business every day, but for monopoly never. 12. As Senator LaFollette says, "He approaches every problem with the solemn promise to be really, in the highest sense, a servant of the people."

Demonstration of Holy Name Society Next Sunday.

More than 20,000 men pledged in their association to protect the Holy Name against profanity and blasphemy will march in a remarkable demonstration at Washington on Sunday, October 20, under the auspices of the Washington section. The Baltimore and Western Maryland sections will have conspicuous places in line, Baltimore will have the right of line by virtue of the fact that the president of the society in the archdiocese of Baltimore is Jerome H. Joyce, of that city.

It will be the second demonstration of the kind by the Holy Name Society of this archdiocese. A few days ago more than 30,000 men marched in Philadelphia. Throughout the country annual demonstrations are to be made, and the Society is rapidly growing numerically and in influence, into one of the first forces of the Catholic Church of America.

There are 48 parishes in the archdiocese of Baltimore, affiliated with the society, and every one of them will have not only a large marching representation, but bands to play in line. Each section will be in charge of its vice-president and every parish will have its marshal and local officers.

Railroad arrangements will land the Baltimore and Western Maryland sections at Union Station, Washington, at about the same time. Cardinal Gibbons and eminent church and laymen will be on a reviewing stand at the New Willard Hotel, to view the parade as it passes that point with thirty or more bands interspersed. At the Monument grounds short addresses will be delivered by the Apostolic Delegate, Archbishop Corrigan, Judge De Lacey and other Catholic leaders. The bands will be merged under one leadership to play a number of selected hymns, and the demonstration will close with "The Star-Spangled Banner" by the amalgamated musical organizations. It will be the first time such a large band has played as one. There will be certainly 1,000 pieces, and perhaps 1,500 or more.

Large Stable Burned Near Mt. Airy.

Fire of an unknown origin destroyed the large stable on the farm of Thomas Conaway, about one mile from Mt. Airy, on the road to Woodville, tenanted by Charles Buchanan, Saturday evening. The wheat crop of about 1,000 of 1,200 bushels was destroyed as well as the hay. No live stock was lost and the other buildings on the farm were saved. The loss, which is partly covered by insurance, will amount to several thousand dollars. Mr. Buchanan was milking between 7 and 8 o'clock when he smelled something burning, looked up and saw the hay move afire. The flames spread rapidly and there was little chance to save the stable. Neighbors gathered and worked to prevent the burning of other buildings. The wheat was stacked outside the stable, awaiting to be threshed, and was destroyed with the stable contents. The stable was a large one and was well filled. The reflection of the fire could be seen from some distance. From Mt. Airy people went out to see the fire, many going in autos and on motorcycles.

Although Mr. Buchanan had a lantern around the stable he does not think that the started from this, it is hardly possible it was caused by spontaneous combustion. Some express the opinion that the stable was set afire, although there is nothing definite to lead to this belief.

Good Road League Organized.

The citizens of the fourth district of Carroll county have organized a Good Road League. The object of this league is to agitate the improvement of the public roads in this district. The first meeting was held at Gamber on Saturday evening, October 12th, 1912. It was then agreed that the League hold a session the first Saturday evening of each month, beginning Saturday evening, November 2nd, 1912, at Gamber. A committee was elected to go before the State Road Commission in regard to allowing the contractors on the new State road, extending from Westminster to Sykesville, to grade only as far as can be completed with stone, until spring. We all know what a sea of mud had to be crossed before reaching Westminster last Winter, so let us go to work and see if we can not prevent a like condition of the road for the coming Winter.

A delegation was also appointed to appear before the County Commissioners in regard to agitating a mile of macadam road, extending from Finksburg toward Gamber. The following officers were elected for the ensuing year: President, I. S. Patterson; vice-presidents, G. W. Caple, G. E. Benson, C. R. Chew, I. H. Sayers, A. N. Zentz, J. P. Klee, G. J. Shipley; treasurer, L. C. Jordan; secretary, O. Buckingham; directors, L. C. Jordan, B. F. Gorsuch, J. N. Barnes, T. J. Miller, W. L. Richards, E. G. Shipley, D. R. Leister, G. P. Klee, R. W. Barnes.

Individual Communion Service Presented to Centenary Church.

The presentation of the individual communion service, a gift to Centenary Methodist Episcopal Church from Mrs. Samuel K. Herr and Mr. Charles C. Gorsuch, of this city, as a memorial to their parents, the late Nathan I. and Catherine Gorsuch, took place Sunday morning. The presentation address was made by Charles C. Gorsuch and Mr. George R. Gehr accepted the gift on behalf of the official board of the church. Mr. Gehr spoke appreciatively of the character and work of Mr. and Mrs. Gorsuch and of their effective service for many years in Centenary Church. The communion service consists of five circular wafers containing thirty cups each. The cup is known as the unbreakable, pointed top one and is octagon in shape. There are three cup collectors and cup fillers. The service presents a very neat and refined appearance, the woodwork being in harmony with the finish of the church. The service was purchased from the Le Page Individual Communion Cup Co., of Toronto, Canada.

By direction of the official board the silver communion service which has been used in the church will be presented to Thomas Chapel, of near Taneytown, this county.

Resolutions of Respect.

The following resolutions of respect were drafted by a committee appointed by Mrs. John D. Belt, teacher of the Woman's Adult Bible Class at Grace Lutheran Church, Westminster, Md.

Whereas, God, in His infinite wisdom, saw fit to suddenly call from our midst our beloved sister, Martha E. Crane; and

Whereas, we recognize the sovereignty of Almighty God, who holds in His hands the destinies of all; and while we mourn the death of our classmate, we bow our heads in silent grief, and be it

Resolved, that we assure the bereaved family of our heartfelt sympathy, in this their hour of trial and commend them to Him who alone can comfort the broken hearted, and be it further

Resolved, that a copy of these resolutions be printed in the local papers and a copy be sent to the bereaved family.

MRS. CHARLES E. LIPPY, MRS. ANNIE SCHAEFFER, MRS. WM. F. HELM.

A Card.

Mr. and Mrs. Samuel Little take this means of thanking their friends and neighbors for the great kindness and substantial tokens of sympathy extended to them during the recent illness of their daughters, one of whom is still under the doctor's care. They should like to see each one and thank him personally, but that is impossible at present.

LINEBORO.

Farmers are busy husking corn in this section. Gather in your vegetables if you have any out, Jack Frost is getting pretty hard on them. Mr. J. L. Hoffman and daughter Ethel, Mrs. R. H. Swain and Miss Sara Wertz, of Hanover, attended communion services here Sunday.

MELROSE.

It is with pride and pleasure that many citizens of Manchester district read in the Baltimore papers that Manchester Bank stands second in the grand old state of Maryland in financial success.

We wish to correct a mistake in our items last week. The Hoffman property in Manchester was not sold, but was withdrawn at a bid of \$2995.00.

On Saturday, as Maurice Fuhrman was starting from Mr. Dherit's with the horse and buggy, something frightened the horse causing him to run, overturning the buggy and breaking some parts of it.

One day last week as Mr. Ell W. Burgoon, the teacher at Mt. Ventus, was driving to his school from Manchester, his old white horse suddenly became ill and dropped dead.

MEDICINES.

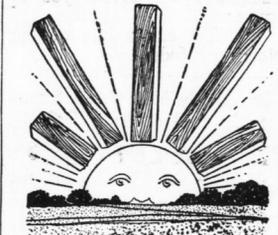

ECHOES FROM TANEYTOWN.

Taneytown Happenings Always Interest Our Readers.

After reading of so many people in our town who have been cured by Doan's Kidney Pills, the question naturally arises: "Is this medicine equally successful in our neighboring towns?" The generous statement of this Taneytown resident leaves no room for doubt on this point. John T. Bowers, Taneytown, Md., says: "My business requires me to sit in a stooped position most of the time, and I believe that this was the cause of my kidney complaint. There was a constant, dull, dragging pain across my kidneys that caused me much misery. I suffered from rheumatic pains and at times was stiff and lame. The kidney secretions were also irregular in passage and caused me much annoyance and inconvenience. I finally procured a box of Doan's Kidney Pills and they gave me almost immediate relief. The kidneys were soon restored to normal condition and I felt better in every way. I gladly testify to the great merit of Doan's Kidney Pills."

"THE MELANCHOLY DAYS HAVE COME, THE SADDEST OF THE YEAR, A LITTLE TOO WARM FOR WHISKEY STRAIGHT, A LITTLE TOO COOL FOR BEER." It was, it's a good time for the use of our "Finger Food," the "Baltimore" or the "GENUINE BIG VEIN GEORGE'S CREEK" from Smith & Belfsnyder, nothing better for the fire-place.
