

DEMOCRATS LEAD BY 155.

Majority in Next House Figured Out By Clerk Trimble.

An unofficial list of members-elect of the House of Representatives of the Sixty-third Congress, which has been compiled by House Clerk South Trimble, gives the Democrats a majority of 155, against 60 in the present House.

The Democrats, according to Mr. Trimble's information, have elected 295 members and the Republicans and Progressives have elected 140.

The Democrats will control the delegations of 29 States, while the Republicans and Progressives combined have a majority of Representatives from 18 States.

The biggest solid Democratic delegation is returned by Texas. The Lone Star State elected 18 Democrats and not a Republican.

Illinois and New York have elected more Democrats, but their delegations are not solid.

The division by States between the Democrats and Republicans and Progressives is as follows:

W. M. C. 40; Catholic University 0. Western Maryland's football aggregation rumbled the eleven representing the Catholic University of America Friday afternoon at Washington.

Dr. C. walking away with the battle, 40 to 0. The result was never in doubt, as the visitors outclassed the Brooklanders in every department of the game.

Only one did the Washington team appear to have a chance to even score, and then a forward pass was intercepted on the 30-yard line and turned into a Western Maryland touchdown by Bowers.

Captain Weaver, of the visitors, played a sensational game, making several long runs, one of 65 yards, while Powers was everywhere on the defense.

Just before the end of the second period Bowers broke through the guard and ran 40 yards for a touchdown.

The Marylanders did not score in the first period, but in the second quarter started a march to the Catholic University goal. The Westminster lads were never stopped.

The university put a patched-up team on the field, owing to injuries.

Rather Plentiful If True. Rabbits are said to be so plentiful this season that hunters who go after them get all they can carry home.

They are also described as being so tame they can almost be killed with slingshots. They are reported the most plentiful in Carroll county, where a party of three killed 39 in a day.

There are too many rabbits this year," said Charles W. Melville, secretary of the State Live Stock Sanitary Board, recently. Mr. Melville lives in the eastern part of Carroll county.

"In the last two weeks," he continued, "I have run over two with my automobile. They get in the road at night and the headlights dazzle them so that they fall to get out of the way."

PRESCRIPTION For a Long Life. This is the prescription for a long life given by an old gentleman in Connecticut, who is ninety-nine years old and still well and cheerful.

Should the system get run down—digestive organs weak—the blood thin and sluggish, take Vinol, which is a delicious combination of the medicine—body-building properties of cod-livers, with the useless grease eliminated and tonic iron added.

We wish every feeble old person in this vicinity would try Vinol on our agreement to return their money if it fails to give satisfaction.

ENRAGED HOG ATTACKS FARMER. Tenant on Thomas Kemp Farm Has Flesh Torn From Leg.

Thomas Darkis, tenant on the C. Thomas Kemp farm, near Frederick, was attacked by an enraged hog on Sunday morning and a piece of flesh about seven inches long torn from the fleshy part of his left leg.

The hog then showed signs of fight and Mr. Darkis, a large, strong man, was put to his wits' ends to combat the enraged animal.

Mr. Darkis went to the house, and the wound in his leg was about seven inches in length and deep enough for a person to lay his hand in it.
