MEDFORD.

In a recent correspondence with the State Board of Education, chairman O. E. Weller stated that there is yet no money available for State roads, the money was all expended the past spring. But as soon as Congress will appropriate more money for State roads, the chairman says he will only be too glad to give us a hearing. But in an interview with the Governor at the Taneytown fair, he said he would be glad to give us a hearing at most any time. We surely need a State road from New Windsor to Westminster, and we must exert every possible means to bring about the desired results. A meeting should be called in the near future.
