

The Annual Reunion of the Guild of St. James' Church.

The annual reunion and picnic of the Guild of St. James' Episcopal Church, Mt. Airy, which was held at Wild Wood Park, on September 3rd, was a success, notwithstanding the unsettled conditions of the weather, which deterred many of the members from attending. The day was not propitious for picnics, as the sky was overcast with clouds, and light rain fell, but clearing later, and then the glorious sun shone forth with its cheering rays. 11 a. m., was the time of meeting, and each member who came brought a well filled basket, the contents of which was spread on a table in the pavilion and to which at noon all present were invited. If the absent members had seen that table they would have been very sorry they were not there, and the ones that were present, were very glad they were there. It was a merry and social little company gathered around the board, who greatly enjoyed the tempting viands. After lunch time was passed in social pleasures. At the time of parting there were many expressions of pleasure at this reunion and the hope that there might be many more at Wild Wood Park. The members of the Guild desire to express their thanks to Mrs. Mullins, who gave the use of the park to them free of charge. Mrs. Charles A. Runkles will entertain the Guild at her residence at the next meeting, Thursday, September 24th, at 3 p. m. Those who were present at Wild Wood Park were: Rev. F. M. Boyden, rector of Lingsnore parish, and daughter, Miss Mary Boyden, Mrs. C. W. Selby, Mrs. Charles A. R. Waters and Mrs. Metelle Waters.

Judge For Yourself.

Which is Better—Try an Experiment or Profit by a Westminster Citizen's Experience.

Something new is an experiment. Must be proved to be as represented. The statement of a manufacturer is not convincing proof of merit. But the endorsement of friends is. Now supposing you had a bad back, a lame, weak, or aching one. Would you experiment on it? You will read of many so-called cures. Endorsed by strangers from far-away places. It's different when the endorsement comes from home. Easy to prove local testimony. Read this Westminster case: M. E. Campbell, E. Main St., Westminster, Md., says: "I have used Doan's Kidney Pills, procured at Moore's Drug Store, whenever I have been in need of a kidney tonic and they have always given satisfactory results. For backache and other kidney disorders, I consider Doan's Kidney Pills unequalled." Mr. Campbell is only one of many Westminster people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Campbell had—the remedy backed by home testimony. 50c at all stores. Perfection Oil Heaters!
The Perfection Oil Heating Stove is possibly one of the best made. And since the New Model has been put on the market it is all that the name implies. In this New Model there has been eliminated the most objectionable features of the old style. The two most important changes are:
First: The broad low base which makes it perfectly safe and impossible to overturn.
Second: The change in the construction of the wick. This wick will never require adjusting as the old style did. It is always set up to its proper height.
This stove is just the thing for fall, when it is not cool enough to justify you to make fire yet too cool to be without heat, may be moved from one room to the other. A scratch of the match and instant heat. Buy yourself one today.
