SAVE ONE-THIRD OF YOUR COAL BILL BY GETTING A GALVANIZED ASH SIFTER FROM ME.

Do you throw out your ashes? If you do you throw out with them good coal and coal is money. Of course if you use the old style dust-creating, inefficient, back-breaking hand sifter I do not blame you for throwing out your ashes. It is a dirty job.

But think of the expense of doing without this new sifter. In practically no time it will pay for itself many times over. Sifts a week's ashes in a few minutes. Clean without dust, without fuss. So easy that a child can operate it.

Ashes are put in a hopper at the top, lid closed down, handle turned a few times and ash dust drops into the barrel underneath, while unburned coal runs out into the bucket or scuttle.

Fits snugly any ordinary barrel or ash can. Made of heavy galvanized iron, all joints riveted securely. Will last a lifetime. If you get one no money could buy it, so well will you be pleased. No dust can escape.

Only \$2.00 Each.

Think of it. In a short while you will save many times the initial cost. So easy to operate. No dust, no dirt. You cannot afford to be without one.

HOW TO CURE A CHRONIC COUGH

Told in the Following Letter by a Jackson Man Who Knows from Experience. His Word is Good.

Jackson, Miss.—"I am a carpenter, and the grippe left me not only with a chronic cough, but I was run-down, worn out and weak. I took all kinds of cough syrups but they did me no good. I finally got so weak I was not able to do a day's work, and coughed so much I was alarmed about my condition. One evening I read about Vinol and decided to try it. Before I had taken a quarter of a bottle I felt better, and after taking two bottles my cough was entirely cured. All the bad symptoms have disappeared and I have gained new vim and energy."

—JOHN L. DENNIS, 711 Lynch Street, Jackson, Miss.

The reason Vinol is so successful in such cases is because the active medicinal principles of cod liver oil contained in Vinol rebuilds wasting tissues and supplies strength and vigor to the nerves and muscles while the tonic iron and wine assist the red corpuscles of the blood to absorb oxygen and distribute it through the system, thus restoring health and strength to the weakened, diseased organs of the body. If Vinol fails to help you, we return your money. Snaw Drug Co., Westminster, Md.
