Judge For Yourself.

Which is Better—Try an Experiment or Profit by a Westminster Citizen's Experience. Something new is an experiment. Must be proved to be as representative.

The statement of a manufacturer is not convincing proof of merit. But the endorsement of friends is. Now supposing you had a bad back, A lame, weak, or aching one, Would you experiment on it? You will read of many so-called cures.

Endorsed by strangers from far-away places. It's different when the endorsement comes from home.

Easy to prove local testimony. Read this Westminster case: M. E. Campbell, E. Main St., Westminster, Md., says: "I have used Doan's Kidney Pills, procured at Moore's Drug Store, whenever I have been in need of a kidney tonic and they have always given satisfactory results."

For backache and other kidney disorders, I consider Doan's Kidney Pills unequalled. Mr. Campbell is only one of many Westminster people who have gratefully endorsed Doan's Kidney Pills.

If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Campbell had—the remedy backed by home testimony. 50c at all stores. Foster-Milburn Co., Props., Buffalo, N. Y. "When Your Back is Lame—Remember the Name."
