WHEN THE TRED MOTHER GIVES OUT

What Then?—The Family Suffers—Mrs. Becker Meets This Distressing Situation.

Collinsville, Ill.—"I suffered from a nervous break-down and terrible headaches, and was tired all over, totally worn out and too discouraged to enjoy life, but as I had four in family and sometimes eight or nine boarders, I kept on working despite my suffering. "I saw Vinol advertised and decided to try it, and within two weeks I noticed a decided improvement in my condition and now I am a well woman." —Mrs. ANA BECKER, Collinsville, Ill.

There are hundreds of nervous, run-down, overworked women in this vicinity who are hardly able to drag around and who we are sure would be wonderfully benefited by Vinol as Mrs. Becker was. The reason Vinol is so successful in building up health and strength in such cases is because it combines the medicinal tissue building and curative elements of cod's livers together with the blood making, strengthening properties of potassium. We ask every weak, nervous, run-down man or woman in this vicinity to try a bottle of Vinol on our guarantee to return their money if it fails to benefit.
