MILLERS. The following visited at the home of Mr. and Mrs. John Graf last Sunday: Mr. and Mrs. John Keck and daughter, Mary, of Manchester; Mr. and Mrs. Edward Graf, Mr. and Mrs. William Hosfeld, Mrs. Cramer, Miss Lottie Dell, Messrs. Harvey Miller, Elmer Smith, Preston Miller, Albert Graf, Lawrence Cramer, Jacob Graf, Fred Graf, John Kress, Henry Graf and John Rinehart. Daniel Miller and family, of Alesia, visited John K. Mr. and Mrs. Lee Logsdon and children, of Baltimore, spent Sunday and Monday visiting Mr. and Mrs. Henry K. Miller. Theodore Miller, who had been very ill and confined to bed for several weeks, is able to be about again. The sale of George Caltrider was well attended last Saturday, and fairly good prices were realized. Theodore Miller received a letter from Newport News, Va., from his son Herman, telling of his safe arrival to this country again, after making a trip to Norway and back. Among other things he tells of having come through the North Sea and saw a m. l. in the water by one of the warning nations, also a ship blown up by a mine. Herman intends going to Cuba, thence to New Orleans and probably back to Norway before he visits his home. George DeHoff, of Baltimore, visited friends here last Saturday. There will be preaching here Sunday evening. Miss Lizzie Barnhart, of Patapsco, is visiting her sister, Mrs. George Caltrider.

MELROSE. Spring weather seems to be here, with doors open, fires out, bees buzzing and buds pushing forth. Bucher & Stambaugh our blacksmiths and buggy dealers, are busy as bees. Oranges and lemons are kept regularly for sale at Zepp's store. By the time this reaches the readers the Shrewsbury Mining Company will have several carloads of feed here at the station which they will sell. The business will be in charge of E. B. Lugar, our freight agent. Harry R. Shaffer is repairing watches and clocks. He is doing a good business.

MANCHESTER.

Mr. Paul L. Leese, of this town, and Miss Clara D. Wolf, of Loysville, Pa., were married last Thursday morning, February 18, at 10.30. The ceremony was performed by the Rev. Mr. and Mrs. Leese left for a wedding trip, expecting to arrive in Manchester Saturday, February 27, at the home of the groom's parents, Mr. and Mrs. George Leese, where a reception will be given Saturday evening in their honor. They will reside in Manchester. Our congratulations are extended to the young couple for a happy wedded life.

A most enjoyable house party was given by Miss Margaret Fuhrman, of York street, in honor of her nieces, Misses Elizabeth Myers and Helen Greenholt, of Baltimore. The other house guests were Misses Lotta Lust-naur, of Baltimore; Eva Preston, Hampstead; Messrs. Byard Devillibb, Walkersville; Marion Porterfield, Martinsburg, W. Quite a unique advertisement was made last week at the Carroll Cigar Company's Factory. A man-moth cigar measuring 3 feet, 8 inches in length and well proportioned. It was made for a customer in Philadelphia, who desires it for his show window. It was rolled by Mr. Ardine Manthey and is a fine piece of work.

Mrs. Henry Graf's home was the scene of a small company Tuesday evening, February 16, in honor of the birthday of Mr. W. Hersh. Singing and games were indulged in. The Faust Nachts and coffee were enjoyed, and Grandmother Graf, 88 years old, entered into the festivities, as though she was only 18.

At the congregational meeting held in the Reformed Church last Sunday, the 21st, it was decided to appoint the trustees of the church to wait upon the members, and if a sufficient amount of money be subscribed they will build a parsonage this summer.

EASTVIEW. Appropriate exercises were given by the teacher and pupils of Eastview public school on Monday afternoon, February 22nd, in memory of the anniversaries of Washington and Lincoln's birthdays. Readings, recitations and songs were well rendered by those who participated in the joint exercises and the pupils seemed very much inspired by the facts learned from the noble characters and lives of the two honored men, as set forth by Mr. Caple, their teacher, whom the pupils highly esteem.

The health of the community is very good at present, and the pupils are making a very good average attendance, especially the boys, who are averaging from 22 to 25 enrolled. Some of the girls have been on the sick list, but are out again attending school at this writing. Miss Margaret Ruth Caple and Miss Leona Ward were both sick with tonsillitis, but have fully recovered at this time. Some of our farmers here have been taking advantage of the good weather, and good prices in wheat, by hauling to market. Also a number of logs were shipped from here this week. Mrs. John Conaway, of Eastview, who is in Baltimore under treatment, is very much improved. Miss Annie Derr, of Westminster, who had been spending some time here with her friend, Miss Elsie Conaway, returned to her home this

week. Mr. Walter Shipley and family, of this vicinity, have been home the past two weeks with Mr. Shipley's parents, t Sandyville. Mr. Shipley's father has been very ill with neuritis, but we are glad to learn that he is improving. Mr. A. N. Zentz and family, of near Eastview, were guests of Mr. and Mrs. George H. Caple, of Eastview, last Sunday. Miss Elsie Conaway and friend, Miss Annie Derr, spent the week's end in Baltimore visiting Mrs. M. O. Conaway, who is there sick. Mr. and Mrs. Bertrand Caple and son, Lester, spent a few days last week with relatives in Baltimore.

On Monday evening about 100 or more neighbors and friends of Eastview and Smallwood communities gathered at the residence of Mr. and Mrs. Samuel G. Arnold, of this place, musical instruments of the call-thumpian organization for the purpose of serenading their oldest son, Mr. David A. Arnold, and his bride, who were recently united in the bonds of matrimony. After surrounding the premises several times to the martial strains of Old Tims, or some other well known airs of Tramp, Tramp, Tramp, the call for music was given by the captain, Mr. Albert Frick and was responded to with full force of the band, and musicians were rewarded by the appearance of Mrs. Bride attired in a full suit of blue serge and groom attired in full suit of conventional black, with their usual good natured smiles, looking their best, they received the hearty congratulations and best wishes of

all present. The father of the groom commanded the captain to form his troops in orderly line, when they were sumptuously supplied and refreshed with the good things of life, after which they extended their hearty appreciation to host and wished all a happy and prosperous future. The musicians retired to their homes amid the echoes with three cheers for "bride and groom."

FILES SUIT FOR RECOVERY

of Insurance on Life of Her Husband. Suit for the recovery of the insurance on the life of her husband, Edgar McCauley, whom she was charged with shooting and killing, was filed in the Court of Common Pleas, Baltimore, Saturday by Mary S. McCauley against the Fidelity and Casualty Company of New York.

It is alleged that McCauley was insured for \$5,000 in September of 1912 with the defendant company, and, although efforts have been made to have the money paid to Mrs. McCauley, who is named beneficiary, they have failed and the court is asked to allow damages of \$15,000. On June 23, 1914, McCauley was shot in the kitchen of his home by his wife and died a short time after the bullet wounds were inflicted. The wife was arrested and tried on the charge of murder in Baltimore county and was defended in the suit by Mr. Stinchcomb. It was claimed by the defense that the revolver was discharged during a tussle between the wife and husband and Mrs. McCauley was acquitted.

Graselli Lime and Sulphur Solution FOR SPRAYING. The value of Lime Sulphur Solution is an insecticide and fungicide is due to the actual combined Sulphur in Solution. Graselli Lime Sulphur Solution contains 83 per cent. combined Lime and Sulphur in Solution at 32 to 33 degrees Beaume, the maximum that will stay in solution under various climatic conditions to which it is liable to be exposed. It is a clear, cherry colored liquid, free from sediment and works through the nozzle of the spray pump easily.

DON'T BE PERSUADED INTO BUYING A SOLUTION THAT IS JUST AS GOOD AS GRASELLI. You may get "Stang." There are so many so called spraying solutions on the market today that a man has to know just what he is buying. BUY GRASELLI AND YOU WILL TAKE NO CHANCE. A solution that is not clear and free from sediment will clog your spray pump and cause you an endless amount of trouble. INSIST ON GRASELLI. SPECIAL PRICE ON BARREL LOTS.

Graselli Arsenate of Lead FOR SPRAYING.
