DO YOU HAVE HEADACHE? Eighty per cent are due to Eye Strain. It may be glasses, not medicine, that you need. Relief will be obtained by a properly fitted pair of glasses.

WHAT GLASSES WILL DO. If you work or reading tire the eyes, glasses will rest them. If you are subject to headaches, the chances are that it is caused by Eye Strain. Special glasses will relieve them.

DON'T wear glasses unless prescribed by a reliable Optometrist.

A REASON WHY. If you were ill you would call in the best Physician; if you had a law suit, the best Lawyer. If your eyes are bad why not take equal precaution to select a reliable Optician and Optometrist?
