Don't Wait For The Fatal Stages of Kidney Illness. Profit by Westminster People's Experiences.

Occasional attacks of backache, irregular urination, headaches and dizzy spells are frequent symptoms of kidney disorders. It's an error to neglect these ills. The attacks may pass off for a time but generally return with greater intensity. Don't delay a minute. Begin taking Doan's Kidney Pills, and keep up their use until the desired results are obtained. Good work in Westminster proves the effectiveness of this great kidney remedy.

Jesse F. Stem, Westminster, says: "I suffered for over three years with back ache and lumbago. At times the pain in my back was so intense, I procured Doan's Kidney Pills at Moore's Drug Store and they relieved me so thoroughly that I haven't lost a day's work since using them."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Stem had. Foster-Milburn Co., Props., Buffalo, N. Y.
