THE RESULT OF THE PRIMARIES.

The Democratic Party has elected its State and County candidates in the manner prescribed by law, after the fullest opportunity for the merits of the candidates to be presented, weighed and determined.

All the candidates are men of probity and character, and are well qualified for the positions which they aspire to fill. No Democrat will refuse them the cheerful and hearty support of a loyal and patriotic party man.

The Advocate is confident that the spirit of submission to the will of the people prevails; and that, under its chosen leaders, the Democracy of Maryland will now close its ranks, and march forward with unbroken front and without one deserter to a glorious victory in November.

THE CONSOLATION OF DEFEAT.

The Democratic Advocate congratulates the defeated aspirants for nomination on the Democratic ticket on the manner in which their campaign was conducted. Any party is fortunate in being able to hold in reserve such excellent material for a future ticket.

The defeated candidates made a gallant fight, and they can look back with pride upon their efforts and the recognition the Democratic voters gave them in the Primary. Defeat under such circumstances is easily borne.
