THE STORE THAT SERVES YOU BEST

The Hochschild, Kohn & Co. Store was founded in 1897. It began with a plain announcement of its policy and its intentions.

A clear contract was made — is still made, and will always be made — with every customer. This is the contract — it is printed on the back of every sales-check:

Our System Reliable goods only, at uniformly right prices. For all articles returned, if uninjured, and within reasonable time, we shall willingly refund money.

Baltimore's Best Store is the store of progress. It is not ideal, but it is striving to be.

Its aim is to please — to satisfy; and it never loses sight of the mark. It is the accepted and avowed shopping place of a great many people, in Baltimore, throughout Maryland, and in almost every other state in the Union.

A Handsome Car

WHEN you pay several hundred dollars for an automobile, why not get a good-looking one — one that you will be proud to own, proud to drive and proud to take your friends out in? Maxwell owners have a just pride in the handsome appearance of their automobile for Maxwell Motor Cars have the same attractive lines, the same graceful design as the higher priced types.

In addition to good looks you want, of course, a reliable, sturdy and economical car. But there is no doubt in your mind on these points since the Maxwell a short time ago established the World's Motor Non-Stop Mileage Record. Any car that can run continuously for 44 days and nights, averaging 500 miles per day — 22,000 miles in all and without once stopping the motor — is bound to be a well designed and well made car.

Any car that can perform such a wonderful feat on an average of one gallon of gasoline to every 22 miles is bound to be an economical car.

We have such confidence in the Maxwell car and the company behind it that we have staked our judgment and future on the ability of the car to make good for you. It will; we know it. All we want is a chance to prove it.

Phone us today, while you have it in mind.
