A Reception for Rev. Muirhead. The members and congregation of Springfield Presbyterian Church gave a reception to Rev. and Mrs. Wm. H. Muirhead, Wednesday evening, May 17, at the Mause. Promptly at 8 p. m. some of the guests arrived and very soon the hall and rooms were filled, and each one cordially received by Mr. and Mrs. Muirhead, assisted by Mrs. D. B. Sprecher and Mrs. J. N. Morris. The old Mause never looked more quaint and pretty, than on this occasion, the rooms and hall being beautifully and artistically decorated with lovely green branches and pink honeysuckle. The perfume of the latter permeated the whole house. All formality was put aside and each and every one joined in to make the occasion pleasant and sociable. Both old and young viewed with one another in trying to make it pleasant for the guests, and we feel quite sure it proved so, as every one in bidding adieu, expressed a most delightful evening. Various games were indulged in and all had much enjoyment from these, who participated in them. Another special feature of entertainment was the beautiful music rendered by Mrs. David Dean, Messrs. Wm. Hepper and Wm. Forthman, all members of the Sykesville orchestra. They were certainly accommodating and their music charming. Visitors were present from New York city, Baltimore city, Howard and Carroll counties, and in all, about 80 were present. We were glad to notice several members from the Lisbon congregation present. Later in the evening refreshments were served, consisting of harlequin ice cream and cakes of various kinds, which all seemed to enjoy. Some one suggested some hymns from Billy Sunday's hymnal, and soon the grand old place was ringing with those beautiful hymns. At a late hour the guests departed thanking Mr. and Mrs. Muirhead for their cordiality and many expressed the wish it would be repeated again. Sunday, May 21st, the installation of Rev. Wm. H. Muirhead, as pastor of Springfield Presbyterian Church, was held at 11 a. m. and at Lisbon at 3 p. m. The service was beautiful and most solemn and impressive. Rev. W. J. McMillen, D. D., of Maryland Avenue Presbyterian Church, Baltimore, delivered a fine and able sermon to the people.
 Dr. McMillen was a member of the Nashville Presbytery, at the time Rev. Mr. Muirhead was ordained. That is why the latter, desired Dr. McMillen to participate in the installation, and Dr. P. P. Flournoy, a much beloved pastor, who labored in this field 26 years ago, delivered a beautiful and touching appeal for the flock to follow their "Shepherd and Leader." Mr. Flournoy read the 12th chapter of Romans and made some beautiful references to portions of it, "Be Not Overcome of Evil, but Overcome Evil With Good."
 The services and some lovely selections rendered beautifully by the choir, made an impression upon the congregation that will long be remembered.—From our Sykesville Correspondent.

Why You Should Own a Maxwell

- Comfort** First, because it is a comfortable riding car. Plenty of room for five people; deep, soft cushions; springs made of the best spring steel, scientifically heat-treated, accurately suspended and balanced. You will always be comfortable in a Maxwell.
- Appearance** Second, because the Maxwell is a trim, smart, good-looking car. Many makers of heavy, high priced cars, as you know, have copied the general lines, the shape of the body and hood of the Maxwell. This is more of a compliment than an infringement.
- Service** Third, because the Maxwell, being a product of thirteen years evolution, is so designed and manufactured that it gives unflinching, consistent and satisfying service to thousands of owners. Maxwell cars are made of the best materials that money and brains can buy—and they are made right. You can get out of any car only what is put into it.
- Low First-Cost** Fourth, because you get everything in a Maxwell that you can get in any car and you get it for less money. The answer to this is that the Maxwell is a light car and it is built in enormous quantities. The Maxwell Co. is one of the three largest producers of high grade motor cars in the world.
- Low After-Cost** Fifth, because the Maxwell will give you more miles per dollar than any car built. We say this without hesitation or doubt. It is our honest belief and we are willing to prove it by Maxwell owners, by comparison with any other car or by any other way you suggest or prefer. The Maxwell will please you. We know it will. Let us arrange for a demonstration and we'll take the responsibility of satisfying you completely.
