Mr. George H. Caple met with a very painful accident on Saturday. While Mr. Caple and one of his employees, Mr. Charles Davis, were leading two colts to the pasture field they became frightened in passing some buildings on the way, and the one Mr. Caple had charge of started to run away, throwing him against a wire fence post. Releasing his hold he fell to the ground underneath both colts, which kicked him with both hind feet on his left leg from his thigh to his ankle, causing several ugly bruises, but not breaking any bones as could be ascertained. One bone of the lower leg is badly grazed and causes much pain. Dr. Charles R. Foutz, of Westminster, was summoned and dressed his wounds. Mr. Caple is improving slowly but is still confined to his bed, suffering a great deal with his side and back, also from injuries received by the fall on the fence.

Mr. Charles Hansen, Sr., who has been on the sick list for some time, has improved in health and is able to be out of doors again.

Mrs. Annie McCullough, of Baltimore, a niece of Mrs. George Nightingale, of this vicinity, has moved her family to Eastview, occupying the home purchased by Mr. Chas. Nightingale, recently vacated by Harry Richter.

The farm of the late D. D. Byers, of Eastview, was surveyed on Monday, and will be offered at public sale in the near future.

The recent heavy rains have helped the growing crops in this vicinity, as everything is looking fine, but the cherry crop was damaged. Nevertheless, some of the late white wax variety were saved, as Mr. Wm. A. Hansen shipped nearly a ton of the white ones from neighbors here on Monday and Tuesday, and nearly a ton of red and white earlier varieties last week. Cherries brought a fair price this year, and many of our farmers lost big profits on cherries by so much rain.

PLAIN QUESTIONS TO WESTMINSTER PEOPLE

Every Westminster Reader Will Admit the Soundness of the Logic.

Would Westminster people recommend Doan's Kidney Pills as they do if the medicine were not reliable? Would they confirm their statements after years have elapsed if their experiences did not show the remedy to be deserving of it? Statements like the following must carry conviction to the mind of every reader:

D. N. Myers, John St., Westminster, says: "A relative suffered for nearly two years from kidney trouble. The patient complained of dull, bearing-down pains across the back and often had terrible headaches and spells of dizziness. Doan's Kidney Pills, procured at Moore's Drug Store, brought freedom from kidney complaint."

A Second Statement. OVER THREE YEARS LATER, Mr. Myers said: "When we used Doan's Kidney Pills, the results were highly satisfactory. I am pleased to confirm my former endorsement."
