week with friends in Baltimore. Threshing is in progress in this vicinity. Big Engine Blows A Fine. An engineer and fireman were injured Tuesday afternoon, when a fine on engine 913 of the Western Maryland Railway burst as the train was half a mile from Mount Wilson Station, and filled the cab with steam. Both men jumped and the train ran on until several hundred yards beyond Mount Wilson, the steam pressure became so low that the train stopped. Those injured were O. D. Conners, engineer and Simon Bell, fireman. The train, composed of empty box cars, was moving at a fairly rapid rate when the accident occurred. It was not until the line of cars came to a dead stop, however, that members of the train crew, who were in the caboose, suspected trouble. Bell was able to walk to the station, but the engineer was suffering too much from the shock to do so. Crewmen went back for him and he was put aboard a passenger train and taken to the city. His condition is not serious. Patapasco Wins. The Patapasco Baseball team played the Gamber boys another game last Saturday, at the "Dutch Picnic" and this time Patapasco won by the score of 8 to 5. The brilliant fielding of Spencer and A. Caples, was easily the feature. Abbott did the strong arm work for Patapasco, and pitched a fine game. Wagner for Gamber, also pitched a good game. Needless Alarmed. A man who was stung by hornets last summer, was awakened by a buzzing sound almost directly above him. He ducked his head under the covers. When he ventured an ear out to listen he heard the sound again, even louder than before. Again he ducked under the covers. Then, realizing that he couldn't stay in bed all day, he put his head out from under the covers and yelled. This was with the idea of scaring whatever was buzzing. He succeeded in that, but it wasn't a hornet or bee. It was a hired girl running a vacuum carpet sweeper on the floor of the flat overhead. "Discretion is the better part of virtue."

Go To The Rescue. Don't Wait 'Till It's Too Late. Follow the Example of a Westminster Citizen. Rescue the aching back. If it keeps on aching, trouble may come. Often it indicates kidney weakness. If you neglect the kidneys' warning. Look out for urinary disorders. This Westminster citizen will show you how to go to the rescue. Jesse F. Stem, Westminster, says: "For over three years, I suffered with lumbago and backache and sometimes my back was just full of intense pain. For several days at a time, I was unable to do any work at all on account of the dreadful misery and lameness from which I suffered. One box of Doan's Kidney Pills, procured at Moore's Drug Store, relieved me and I haven't lost a day's work since. OVER THREE YEARS LATER, Mr. Stem said: 'I still recommend Doan's Kidney Pills and am pleased to do so.' Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Stem has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y."
