DEMOCRATIC TICKET.

For President of the U. S. WOODROW WILSON.

For Vice-President of the U. S. THOMAS R. MARSHALL.

For United States Senator, DAVID J. LEWIS, Allegany County.

For Congress, J. FREDERICK C. TALBOTT, Baltimore County.

REGISTRATION DAYS

October 3rd and October 10th ELECTION DAY, Nov. 7th

McGINNIS SIDING.

It looks like the dries will have a slim chance from now on in Carroll county, as the wets are determined to hold their own from now on and it seems from all reports that a McGinnis Distillery Co. will have some competition in as much as Mr. Wm. Long, of near Carrollton, has installed a large cider press, with a capacity of 25 barrels per day, and expects to put up one hundred barrels for his own use.

Mr. Miles Long is cutting corn and has finished one field. He reports the crop exceptionally good and expects to finish by Saturday noon. He complains however that the concrete for the fence posts around his farm was not properly mixed and the woodpeckers have hollowed out most of them.

Doc Ward's dancing class which was organized a few weeks ago with a membership of 25 have named themselves the "Light Feet" and will hold their first dance Saturday night in the pavilion recently erected by the club.

"Runt" Tawney is back at his old place and entirely recovered from the accident he had several days ago in practicing safety first on the saw gauge road from one warehouse to the other. He says "no railroad for me."
