

Scientific Proof of Maxwell Fuel Economy

In a test made by David L. Gallup, M. E., Professor of Gas Engineering, Worcester Polytechnic Institute, a stock Maxwell Touring Car made from 23 to 33.7 miles per gallon of gasoline at speeds ranging from 10 to 35 miles per hour. We reproduce a letter from Professor Gallup concerning this test.

DAVID L. GALLUP, M. E.
Consulting Engineer

Sept. 1st, 1916.

Maxwell Motor Co., Inc.,
Detroit, Michigan.

Gentlemen:-

I beg leave to submit the enclosed blue print giving the results of an economy test made on a 1917 Stock Maxwell Touring Car, furnished by your Boston representatives.

The curve is self explanatory and needs no discussion other than the statement that the carburetor, which was stock, was adjusted to give the best combination of power, flexibility, speed and economy, for such conditions of touring as would ordinarily be encountered.

In tabular form the results (taken from the curve sheet) are as follows:

SPEED (Miles per hour)	ECONOMY (Miles per gallon)
10	35.7
15	32.7
20	31.2
25	28.8
30	26.1
35	23.0

Respectfully submitted,
D. L. Gallup

Deferred Payments If Desired

NOTE that no unusual means were employed to get these results. The car used was taken from stock; the test was made with a full load and with top and windshield up; the regular Maxwell carburetor was used.

Any Maxwell car is capable of giving this same economy in gasoline consumption. Maxwell operating economy matches its economy in first cost, making it *The World's Greatest Motor Car Value.*

Patapsco Still Claims the Championship.

For the Advocate. The Patapsco Base Ball Team journeyed to Westminster, Saturday, September 23rd, to play the Sandville boys a game, on the W. M. College grounds, but when the line-up was given us, we found it contained but two boys from Sandville, and the balance choice players from different sections of the county and several professionals just home from their respective leagues. We do not claim to be professionals, if we did, perhaps we would be playing league ball, instead of laboring in the fields and on the railroad. We lost the game, by the score of 2 to 0, but that doesn't deter us in the least, we claim the championship of old Carroll, and any team in the county thinking otherwise, just send your challenge to Vernon Abbott, manager, Patapsco, Md. Bring your professionals, if you wish if our boys do work five and one half days in the week, there is enough ginger in them to give even professionals a good run for their money. The score:

Weekly meetings of the executive and county central committees are held every Wednesday afternoon at 3 o'clock.

Weekly meetings of the district are held on Tuesday evening. Meetings are being held in every district in the county. Plans are being laid for a great day demonstration in the shape of an automobile tour of the county on Tuesday, October 31, taking in most of the larger towns and villages. It is expected that at least one hundred cars will be in line carrying five hundred men and meetings will be arranged in all of the towns through which the tour will pass, ending up with a great mass meeting in Westminster at night, the latter to be addressed by a speaker of national reputation.

Have to be Careful.

"Has woman a sense of humor?" asked the matter of fact man. "Oh, yes," replied Miss Cayenne. "But she has to curb it. If women laughed at everything they saw that's funny they would spoil efforts to propose by some really nice men."

Annoying Kidney Ills.

Make Life Miserable for Many Westminster People.

There's nothing more annoying than kidney weakness or inability to properly control the kidney secretions. Night and day alike, the sufferer is tormented and what with the burning and scalding, the attendant backache, headache and dizziness, life is indeed a burden. Doan's Kidney Pills have given peace and comfort to many Westminster people. Profit by this Westminster resident's experience.

Mrs. Oliver Myers, 33 Liberty St., Westminster, says: "I had a bad case of kidney trouble and my back gave me no end of annoyance. It seemed as if I was being cut across the small of my back with a knife. My feet swelled very much and my sight became poor. I didn't know what to do. The kidney secretions caused me annoyance. After using one box of Doan's Kidney Pills, I was relieved and I kept on taking them until I had finished three boxes. Now I am entirely cured of kidney trouble."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Myers had. Foster-Milburn Co., Props., Buffalo, N. Y.
