## COMPANY H COMING HOME.

### FIRST REGIMENT ORDERED TO LAUREL AS SOON AS POSSIBLE—MUCH ENTHUSIASM WITH TROOPS IN CAMP WHEN ORDER WAS RECEIVED.

The First Maryland Infantry has been ordered to report to its state mobilization camp as soon as possible. This information was given out by Major Malone, at district headquarters, at Eagle Pass, Tex., last evening. The report that Troop A and the Field Hospital would also be sent to their mobilization stations was without foundation. The telegram to district headquarters ordering General Gaither and the First Maryland Regiment home was received from Southern Department headquarters at 6.45 o'clock yesterday evening.

The order calling the Maryland regiment home will in no way affect the plans for the seven-day hike to Spofford. These plans will remain as they were originally formulated.

The first authentic news that the First Regiment had been ordered home caused a tumult of enthusiasm among the men at camp. Bonfires were lighted, and the men danced around them. Many of them got out their mess kits, and for a half hour pandemonium reigned. The excitement spread to the Fifth Regiment.

Considering the festivities of the occasion, it is doubtful whether the men of the Maryland regiment will be in as good shape to perform the duties of the long hike as they would have been had not the orders been received.

The tryouts for the state rifle team closed yesterday afternoon, and the team that has been picked to go to Jacksonville will be announced today.
