Why This Is Baltimore's Best Store...

"Baltimore's Best Store" is not a title which we arbitrarily adopted. It was conferred upon us years ago by the shopping public.

From the beginning of this store, nearly twenty years ago, we have striven to do these things:

To serve as well as to sell;

To give the store a homelike and hospitable atmosphere;

To make courtesy, liberality and friendliness everyday virtues among our people;

To sell dependable merchandise at fair prices, permitting no misrepresentation of quality or value, either in the public prints or behind our counters;

To make good, cheerfully and willingly, any shortcomings in any article we sell.

It is these principles that have been woven into the success of Baltimore's Best Store. And we are not even content with the store as it is, but are ever trying to make it still better.

Whenever you visit Baltimore, make this store your shopping headquarters. Whether you purchase or not, you will find the same cordial welcome.

When Every Move Hurts. Lame every morning, achy and stiff all day, worse when it's damp or chilly? Suspect your kidneys and try the remedy your neighbors use. E. L. Hollenbaugh, 6 Pennsylvania Ave., Westminster, says: "Through exposure, due to my work I had kidney trouble. I was in such bad shape that I couldn't bend over. The kidney secretions at times were scanty and then profuse, disturbing my rest at night. I was so bad from kidney trouble that at times I couldn't move. Altogether I used about two boxes of Doan's Kidney Pills, procured at the Shaw Drug Co., and found wonderful relief."
