Mr. Columbus Shipley and son, Robert, and Mr. Mark Conner and Mrs. Robert Davis autoed to Camp Meade one day last week to see Mr.

Miles Long and Earl Green met on a narrow road along the edge of a woods which had a 20 foot bank on one side and wire fence on the other. Seeing no other way to pass Earl got a rope and tackle and pulled his wagon up in the air. Just as Miles got under the wagon the rope broke and it fell on Miles' load of wood, breaking the wagon and giving his pet mule such a scare that he jumped out of his harness and started to run instead of stopping at the barn. He ran in the kitchen and knocked the stove down and then went out of the window. Miles is still hunting his mule.

Of Local Interest

Some People We Know, and We Will Profit by Hearing About Them.

This is a purely local event. It took place in Westminster. Not in some faraway place. You are asked to investigate it. Asked to believe a citizen's word. To confirm a citizen's statement. Any article that is endorsed at home is more worthy of confidence. Than one you know nothing about. Endorsed by unknown people.

G. L. Bowers, retired sergeant U. S. Army, 78 Liberty St., Westminster, says: "Nearly every spring and fall I have a slight attack of kidney trouble. A cold usually settles on my kidneys and I have pains through the small of my back which are so bad I cannot bend over. Many times during the night I have to get up to pass the kidney secretions and at times they are scanty and then again profuse. Whenever these spells come on, I use Doan's Kidney Pills and am immediately relieved."
