IT'S NOT YOUR HEART IT'S YOUR KIDNEYS

Kidney disease is no respecter of persons. A majority of the ill-afflicted people today can be traced back to kidney trouble.

The kidneys are the most important organs of the body. They are the filters, the purifiers, of your blood.

Kidney disease is usually indicated by weakness, sleeplessness, nervousness, dizziness, headache, stomach trouble, pain in loins and lower abdomen, gall stones, gravel, rheumatism, sciatitis and lumbago.

All these ailments are nature's signals to warn you that the kidneys need help. You should use GOLD MEDAL Haasem Oil Capsules immediately.

The soothing, healing oil stimulates the kidneys, removes inflammations and destroys the germs which have caused it. Do not wait until tomorrow. Go to your druggist today and insist on GOLD MEDAL Haasem Oil Capsules. In twenty-four hours you should feel better and vigor returning and will bless the day you first heard of GOLD MEDAL Haasem Oil.

After you feel that you have cured yourself, continue to take one or two capsules each day, so as to keep in first-class condition and ward off the danger of other attacks. Ask for the original imported GOLD MEDAL brand. Three sizes. Money refunded if they do not help you.
