**NAUSEALESS CALOMEL
BEST MEDICINE FOR
A LAZY LIVER**

CALOTABS, THE NEW KIND OF CALOMEL, DOES THE WORK WITHOUT THE SLIGHTEST UNPLEASANTNESS OR DANGER.

You have always thought of calomel as the best and surest medicine in the world, but too nauseating for you to take. That was the old-style calomel. Now science has taken the sting out of calomel by removing its unpleasant and dangerous qualities, and has kept all its good liver-cleansing and system-purifying effects.

The next time you are bilious or constipated ask for Calotabs, the new nausealess calomel. Sold only in original sealed packages, price thirty-five cents. One tablet at bedtime, with a swallow of water—that's all. No taste, no griping, no nausea, no salts. You wake up in the morning feeling fine, your liver active, your system purified, and with a hearty appetite for breakfast. Eat what you please—no danger of salvation. Your money back at any drug store if you are not perfectly delighted with Calotabs.—(adv.)

**SINCE TAKING TONALL ONE YEAR
AGO HAD NO RETURN OF
DYSPEPSIA.**

"I had a very bad case of dyspepsia and suffered pains for several hours after eating," says I. K. Lehmen, a well known farmer living near Lake Harbor, Lancaster county, Pa.

"I often had to lie down to relieve my pains. After taking one bottle of Tonnall I noticed an improvement and this encouraged me to continue keeping on using Tonnall until I was cured. Now my stomach is as good as ever. I can eat heartily and without any pain or distress. I first began using Tonnall over a year ago and have had no return of dyspepsia since."

This testimonial was given January 15, 1919.

Tonnall is sold at Chas. Moore's Drug Store, Westminster, Md.

How Diphtheria is Contracted.

One often hears the expression, "My child caught a severe cold which developed into diphtheria," when the truth was that the cold had simply left the little one particularly susceptible to the wandering diphtheria germ. If your child has a cold when diphtheria is prevalent you should take him out of school and keep him off the street until fully recovered, as there is a hundred times more danger of his taking diphtheria when he has a cold. When Chamberlain's Cough Remedy is given it quickly cures the cold and lessens the danger of diphtheria or any other germ disease being contracted.

Chamberlain's Cough Remedy. The great benefit derived from the use of Chamberlain's Cough Remedy has been gratefully acknowledged by many. Mrs. Benjamin F. Blakeney, Decatur, Ill., writes, "Chamberlain's Cough Remedy is by far the best medicine for colds and coughs we have ever used in our family. I gave it to my children when small for group and have taken it myself."

Glasses Should Be Changed

At least every two years and in some cases it must be done more often.

Good eyesight is a matter of the most serious importance, without it you are handicapped in doing your daily tasks.

Glasses need not be expensive and they are always worth more than they cost to the user when they are fitted by a specialist. I devote my entire time to this high class service.

Do not go to a noisy store to have your eyes examined but come to my quiet up-to-date office and let me relieve your eye troubles.
