Paul, Walter and Lloyd, who have returned from France. Walter has been recently married and was home with his bride. About 45 guests were present and the evening passed quickly with conversation, music and a bountiful and delicious supper which took up a part of the time and it is needless to say that the guests enjoyed the supper as much as the social features of the evening. Some war relics and curios from France were examined and finally the guests departed from the hospitable home, thanking host and hostess for the pleasant evening.

Farmers around here are busy hauling corn and tomatoes to the canneries, but will be on the job now sowing grain since the rain.

Old Hill Top Park seemed lonesome last Sunday after such a crowd thronged to view a game of ball played the Sunday before between the St. James team of Baltimore and the Patapsco boys, which was won by Patapsco. We think it must have been the last game of the season because the cheers became so great from the crowd, some thought it equal to the signing of the Armistice.

Quite a few of our people are suffering with colds, supposing it to be slight attacks of flu. The good stork visited the home of Mr. and Mrs. Joseph Dixon and left them a baby boy. Beware of the old bird, he comes very unexpected and loves to visit Patapsco.

This town is growing and becoming a very business place.
