CHEST CLOGGED UP WITH HEAVY COLD?

Don't give it a chance to "set in"—use Dr. King's New Discovery

THAT dangerous stage where a cold or cough or case of grippe might get the better of you may be nearer than you think. Prompt action with Dr. King's New Discovery will avert a long siege.

For fifty years it has loosened congested chests, dissipated tight-pneumonia, broken vicious colds and coughs. Give it to the youngsters—take it yourself. There will be no disagreeable after-effects.

60c. and \$1.20 a bottle. At your druggist's. Give it a trial.

Bowels Become Normal

—Liver cleans up, bile flows freely—headache, biliousness, tongue-fur, stomach-sourness, disappear when Dr. King's New Life Pills get in their natural, comfortable action.

Purgatives, never pleasantly corrective, sometimes habit-forming, should not be taken to rack the system violently. Nature's way is the way of Dr. King's New Life Pills—gentle but firmly functioning the bowels, eliminating the intestine-clogging waste, and promoting the most gratifying results. Cleanse the system with them and know the value of regular bowels, 25c. at all druggists.
