A "Personal" Catalogue For Shoppers By Mail

Which means that your inquiries in reference to any desired merchandise will be answered fully and as satisfactorily as though you paid a personal visit to the store.

No catalogue of our stocks is issued, for the very good reason that styles change so frequently that it is not practicable to do so.

But, by addressing an inquiry to our Mail Shopping Service, accurate descriptions and prices of any merchandise in our stock will be mailed you.

Samples will be sent upon request. State the kind of material preferred, whether silk cotton or wool, the colors desired, and about what price you care to pay.

Information as to the latest styles in outdoor, footwear and all accessories will be gladly given to those who favor us with an inquiry.

Why not write us today in reference to any shopping you are contemplating?
