

Christmas Services at Lineboro.

The Christmas service of the Lineboro Sunday school were held on Sunday evening, December 23. The church and Sunday school room were crowded and the orchestra assisted by the choir and orchestra rendered the service entitled, "Christmas in the Heart." The music was especially well rendered and the recitations and exercises were of a fine character and well rendered. Rev. J. B. Lau, a former pastor, was invited to be present and made an address. The teachers and scholars received the usual gifts. At the close Superintendent Frank Warner called Rev. Lau to the altar and on behalf of the congregation and the school presented him with a purse containing \$75. He was so much surprised that he could scarcely respond but when the time came for the benediction he had recovered himself and told the congregation and school how much he appreciated their gift. Mrs. Charles Folk, the faithful and efficient organist, was also remembered with a very nice gift.

Christmas Dinner.

Those present were Mr. and Mrs. John Ogle, Mr. and Mrs. Albert Ogle, Mr. and Mrs. H. Reaver, Mr. and Mrs. Jesse Graver and son, Walter, Mr. and Mrs. Jos. Keep Your Liver Active, Your System Purified and Free From Colds by Taking Calotabs, the Nauseless Calomel Tablets, that are Delightful, Safe and Sure.

Physicians and Druggists are advising their friends to keep their systems purified and their organs in perfect working order as a protection against the return of influenza. They know that a clogged up system and a lazy liver favor colds, influenza and serious complications.

To cut short a cold overnight and to prevent serious complications take one Calotab at bedtime with a swallow of water—that's all. No salts, no nausea, no gripping, no sickening after effects. Next morning your cold has vanished, your liver is active, your system is purified and refreshed and you are feeling fine with a hearty appetite for breakfast. Eat what you please—no danger. Calotabs are sold only in original sealed packages, price thirty-five cents. Every druggist is authorized to refund your money if you are not perfectly delighted with Calotabs.—(Adv.)

When I Asked the G-O Tractor People "How About Service for the Farmer?" They Said:

"You see that the G-O is built to stay on the job without trouble?" I did. Strength built in to make every part last for years.

"You see it has fewer parts than most tractors?" I did. And I know that means fewer chances of trouble for the farmer.

"You see that the G-O has no gears in the transmission?" Yes, and I know that means there'll be no gear stripping, no matter how "green" the operator. Yet he gets six speeds, forward and reverse.

"You see every gear and bearing enclosed and running in oil?" I know that eliminates the need for a big percentage of service. It gives the tractor longer life.

"You see that there are no gears or chains on the rear wheels?" Bull gears on rear wheels demand repeated service. I saw the difference in the G-O.

"Every part in the G-O is built to stand rough work. Perfect performance is guaranteed for the first year. When any part wears out, the farmer can get it replaced right from your store. As a G-O dealer you are required to carry all replaceable parts?" Yes, that's so, it's in my contract.

"And what is more, there is a G-O service man within call for any emergency."

Come in and see the G-O. It's a 14-28 H. P. three plow tractor that burns kerosene and stays on the job.
