WESTMINSTER EVIDENCE FOR WESTMINSTER PEOPLE

The Statements of Westminster Residents Are Surely More Reliable Than Those of Utter Strangers.
Home testimony is real proof. Public statements of Westminster people carry real weight. What a friend or neighbor says compels respect. The word of one whose home is far away invites your doubts. Here's a Westminster woman's statement. And it's for Westminster people's benefit. Such evidence is convincing. That's the kind of proof that backs Doan's Kidney Pills.
Mrs. C. V. Bankert, 64 Pennsylvania ave., says: "Some years ago I had a severe attack of kidney trouble and suffered very much. My back pained and I felt so badly I couldn't do my housework. I tried different remedies without much benefit. A friend told me of Doan's Kidney Pills and I got a box at the Shaw Drug Co. I still use Doan's whenever I need them as they are a wonderful kidney medicine."
Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Bankert had. Foster Milburn Co., Mrs. Buffalo, N. Y.
Mr. and Mrs. Columbus Shipley entertained Sunday Mr. and Mrs. Wm.

"WESTMINSTER'S BEST STORE"

Clearance Sales are semi-annual events at this store and no words of explanation are necessary as to what they mean.

As usual, you will find by reading our advertisement below, that prices on a great many reasonable goods are greatly reduced for a hurried closing out. However, we do feel that it is important to say a few words about MARKET CONDITIONS.

Recently, quite a few people have told us that they were expecting all kinds of Dry Goods to be lower in price. If possible we wish to correct this impression, inasmuch as exactly the opposite is the truth.

Here are the facts, as we understand them: Prices will not be lower, but higher, so long as demand is greater than production, while mills and factories produce only 40 to 50 per cent of their usual output, while labor is paid the highest wages they have ever received, while raw cotton is 40c a pound and with wool, silk and linen at the highest prices in a generation; until these conditions change there will not be any lower prices on Dry Goods.

Of this change there is not the least indication now.

We tell you candidly, prices will be higher on most goods this spring season.

We advise you to buy for your coming needs now.

Read our advertisement carefully and note the many items in Domestic, on which we have made special low prices for the January Clearance Sale. These prices are for goods on hand only.

You will be wise if you attend the sale and come early in the month.
