 Campbell added: "All that I have said
 in a previous statement praising
 Doan's Kidney Pills holds good. They
 have given me permanent benefit
 from kidney trouble."

MORE WORK to the Gallon

HERE is the tractor of utmost economy, the tractor that gets most from every gallon of fuel because the direct drive from motor to both rear axle and belt pulley saves power.

THE HUBER Light Four
 "The Tractor Dependable"

12 H. P. on Draw Bar
25 H. P. on Belt Pulley

Draws three bottoms
Turns an acre an hour

is the right sized tractor for every sized farm. It is powerful enough to pull three 14-inch bottoms and turn an acre an hour, and light enough to work on plowed ground without packing it down.
 Thousands of Huber Light Fours are in successful use. It is the tried and proved tractor. Huber owners are Huber boosters. For 40 years Huber has built steam tractors; and for 20 years gas tractors. The Huber Light Four is the best tractor Huber ever built.
 It plows, harrows, drills, pulls a binder—does every type of heavy field and belt work economically. So simple a boy can run it, and anyone who knows an automobile can keep it in repair.
 We want to tell you more about this always dependable tractor
