Mrs. J. Thomas Myers, was operated on at the Maryland University, Baltimore, for appendicitis. He has returned home and is very much improved.

Mr. Hollie Myers visited his wife in Littlestown, on Sunday.

The entertainment held by the Ladies' Aid Society was a success. \$40.00 was realized.

How Diphtheria is Contracted.

One often hears the expression, "My child caught a severe cold which developed into diphtheria," when the truth was that cold had simply left the little one particularly susceptible to the wandering diphtheria germ. If your child has a cold when diphtheria

is prevalent you should take him out of school and keep him off the street until fully recovered, as there is a hundred times more danger of his taking diphtheria when he has a cold. When Chamberlain's Cough Remedy is given it quickly cures the cold and lessens the danger of diphtheria or any other disease being contracted.

Fancy Seed Oats

Our seed oats this season are fully up to the high standard of former years, but by reason of crop conditions, we have had unusual difficulty in securing them, and the supply is limited. These oats are carefully selected natural Oats, testing 40 lbs. to the bushel, reasonably clean, free from foreign seed, and moderately priced at \$1.25 per bushel.
