WESTMINSTER'S BEST STORE

MID-SUMMER CLEARANCE SALE!

Beginning Saturday, June 26th and extending into the month of July

Good merchandising requires that a sale of this kind be had each season, aside from all other reasons that might be advanced for lowering prices for a fixed period. We begin our sale a little earlier this year than usual. This will be a distinct advantage to our customers. The cool season has made it unnecessary for many people to do their warm weather buying, consequently many are just at this time making their summer purchases. Read our advertisement carefully and see how much you can save on things you need to wear and for the home. Reductions are from 10 per cent to 50 per cent less than our regular prices. As is usual, some items advertised, quantities are limited and will close out soon. Be wise and come to the sale early.
