WHAT DID YOU MAKE IN 1920?

UNCLE SAM BEGINS COLLECTION OF FEDERAL INCOME TAX FOR LAST YEAR.

Work has begun on the collection of the income tax for the year 1920. Uncle Sam, through the Bureau of Internal Revenue, is addressing to every person in the United States the question, "What was your net income for 1920?" The answer permits of no guesswork. Every single person whose net income for 1920 was \$1,000 or more and every married person whose net income was \$2,000 or more is required to file a return under oath with the collector in which he lives on or before March 15, 1921.

The penalty for failure is a fine of not more than \$1,000 and an additional assessment of 25 per cent of the amount of tax due. For willful refusal to make a return the penalty is a fine of not more than \$10,000 or not exceeding one year's imprisonment, or both together with the costs of prosecution. A similar penalty is provided for making a false or fraudulent return, together with an additional assessment of 50 per cent of the amount of tax evaded.

The income tax applies to women as well as men. Husband and wife must consider the income of both plus that of minor dependent children, and if the total equals or exceeds \$2,000 a return must be filed. A minor who has a net income in his own right of \$1,000 or more must file a separate return. To be allowed the \$2,000 exemption a married person must be living with husband or wife on the last day of the taxable year, December 31, 1920. Divorced persons separated by mutual agreement, widows and widowers, unless they are the sole support of others living in the same household, in which case they are allowed the \$2,000 exemption granted the head of a family, are entitled only to \$1,000 exemption.

The normal tax rate for 1920 is the same as for 1919—4 per cent on the first \$4,000 of net income above the exemption and 8 per cent above that remaining net income. This applies to every citizen and resident of the United States. In addition to the normal tax a surtax is imposed upon net income in excess of \$5,000.

Full instructions for making out returns are contained on the forms, copies of which may be obtained from collectors of internal revenue. Persons whose net income for 1920 was \$2,000 or less should use Form 1040A. Those with incomes in excess of \$5,000 should use Form 1040.

Revenue officers will visit every county in the United States to assist taxpayers in making out their returns. The date of their arrival and the location of their offices will be ascertained upon inquiry at the offices of collectors. This advisory service is without cost to taxpayers.

Suspicion Aroused in Chicago; 400 Gallons of Liquor Found.

Chicago, Jan. 22.—Checking up today on liquor they seized at the undertaking parlors of Jackson & Harris, prohibition enforcement agents listed nearly 100 gallons of various kinds of liquor. Smiles instead of tears were on the faces of visitors to the undertakers' neighbors, noticed, and a squad of prohibition agents arrived suddenly.

In a purple casket, lined with light gray satin, three dozen quarts of high grade whisky reposed; more whisky was found in another basket, while the casket cupboards lining the rear room of the establishment were loaded with cases of whisky, the agents said.
