SALARIES REDUCED OF SCHOOL JANITORS

ALL SCHOLARSHIPS TO NORMAL SCHOOL CANCELED—CONTRACTS STOP WITH W. M. C. AS TO INSTRUCTING TEACHERS—TO STOP ALL REPAIR WORK—5 PORTABLE BUILDINGS PURCHASED—MISS CUMMINGS HAS RESIGNED AS SUPERVISOR OF RURAL SCHOOLS—UNION MILLS SCHOOL SOLD.

The regular meeting of the Board of Education was called to order in the office of the Board on Wednesday, June 23rd, at 7:30 p. m. Commissioners Koons and Glover were absent.

The minutes of the previous meeting were read and approved. The list of bills as presented to the Board was approved and ordered paid.

After a very thorough consideration of disallowances made by the County Commissioners, the following recommendations have been approved: That the Board:

1. Purchase no light plants for Myers and Hampstead.
2. Stop all repair work.
3. Purchase no oil for floors.
4. Cancel all scholarships to the Normal School.
5. Cancel contract with Western Maryland College regarding the instruction of teachers at county's expense.
6. Reduce janitors' salaries and fees from a total of \$7200 to \$4600 so as to keep within the limits allowed for this purpose. The schedule is as follows:

One room schools from \$20 to \$35.
Two room schools from \$40 to \$16.
Three room schools from \$50 to \$24.
Four room schools from \$100 to \$35.
Manchester \$250 to \$180.
West End \$140 to \$100.
Graceland \$600 to \$300.
Westminster High School \$700 to \$500.

Union Bridge, \$600 to \$400.
Taneytown \$400 to \$200.
Hampstead \$600 to \$350.
Mt. Airy \$600 to \$400.
Myers \$280.

Skyeview \$220 to \$180.
Supt. Unger reported to the Board that Miss Ethel Brown, of the Westminster High School, and Miss Eleanor Linthicum, of the Mt. Airy High School, had been appointed by the faculties of these schools to the Normal School Scholarships, given by the Board of Education. The Board directed Supt. Unger to inform these nominees that as the County Commissioners had refused to allow the necessary amounts to cover the cost of the scholarships, it would be necessary to cancel these appointments.

A report of the additional costs for road and curb on the purchase of the R. & O. property at Mt. Airy was made and the Board directed Supt. Unger to refer the whole matter to Com. Glover for final adjustment.

The bid of William H. Saylor amounting to \$2354.96 for the rebuilding of the Taylorsville building was rejected in view of the fact that the Board is unable to undertake work at that point to exceed \$2000, the amount allowed in the budget by the County Commissioners. The Board therefore, authorized Supt. Unger to communicate with Mr. Saylor and in case he can see his way to reduce his bid to \$2000, the same will be granted to him.

No bids were received for the completion of the Pleasant Gap building. Supt. Unger was authorized to proceed to secure bids for the installation of the heat plant in the Graceland building, Westminster.

It was decided, in view of the fact that the amount in the budget allotted by the County Commissioners for repairs was reduced to such small limitations, that no further repairs be made anywhere than has already been authorized. This to include the preparation of the second room at Meadow Branch for school use this winter; the roof having already been put on.

Supt. Unger reported to the Board that five portable buildings had been purchased, which was approved, and authority was given to purchase furniture and equipment for these buildings, and also for such schools as have been closed and are likely to be opened.

The resignation of Miss Adda M. Cummings, who had been appointed as Rural Supervisor for Carroll County, was accepted.

The Board deemed it advisable to raise the tuitions as follows:
High school now \$25 to \$30.
Elementary now \$12 to \$16.

A report showing the further changes in the appointment of teachers was laid before the Board for its approval.

The request for a contribution for the Westminster high school relative to the senior class book was disapproved by the Board, largely in view of the fact that the budget has been cut to such an extent that the Board cannot help out in matters of this kind.

After very careful consideration the Board determined to approve the arrangement made by the authorities of Blue Ridge College with Superintendent Unger for the establishment of a two years' high school in conjunction with the preparatory school of Blue Ridge College to include the following conditions:
