Opens Thursday, Sept. 1st, Closes

**10
Days**

To-day throughout the United States there are large numbers of men and women who are unwillingly idle, because of a falling off in public demand for the goods by the making of which these idle operators make their living. If everybody in the United States who has the money to do it with, would buy **THE THINGS THEY NEED NOW**, hundreds of idle factories could start again and employ thousands more workers.

For these ten days we shall devote our energies and curtail our profits to do our part towards general prosperity by making extraordinary inducements to everybody to

BUY EVERY NEEDED ARTICLE NOW AND THUS HELP IDLE WORKERS.

Our Store is filled with the new goods of Autumn, as well as with all staple goods that every home requires, and right now, with the whole new season just ahead of us

WE EXTEND A HELPING HAND TO LABOR WITH NEW LOW PRICES CUT STILL LOWER.

The prosperity of this nation depends on the prosperity of the individual worker

SO BUY WHAT YOU NEED NOW

Because of the money you will save, because every dollar's worth you'll buy will help make busy times for workers in that industry.
