GEORGE L. STOCKSDALE Telephone 7-W

ATTORNEY-AT-LAW,
WESTMINSTER, MD.

Westminster, Md., August 1st, 1921.

Fellow-Republican:—

Next to the Judgeship itself, there is no more important office in the county than that of Clerk of the Circuit Court. The interests of the people of the county make it absolutely necessary that either the clerk or his chief deputy be a man thoroughly qualified to care for those interests. No one can have greater fitness for the position than a lawyer, who has been for many years familiar with all the details of the work of the office and in the Court.

As such a lawyer, and believing that I have the necessary qualifications, I am seeking the nomination, and, if nominated and elected, it will not be necessary for me to seek some one with greater knowledge of the duties of the office to be my chief deputy, and as such deputy to be the clerk in fact while I am clerk in name, but pledge myself to give to all the work of the office my personal attention and supervision.

It will be impossible for me to see more than a very small percentage of the voters, and therefore I am taking this method to ask you to go to the primary election on September 9th and cast your vote for me.

Very Respectfully Yours,
GEORGE L. STOCKSDALE.

Announcement!

At the solicitation of many friends and after mature consideration, I have decided to be a candidate at the Democratic Primary Election to be held on the 9th day of September, next, for the nomination for Clerk of the Circuit Court for Carroll County.

The time intervening between my announcement and the day of the Primary Election is so short that it will be impossible for me to make a personal visit to each of my friends, and therefore I adopt this, the only means now left me, whereby to apprise them of my candidacy, and to earnestly solicit their active political aid and support at said Primary Election.

EDWARD O. CASH.

To Republican Voters of Carroll County!

Who and why you should vote for the person best qualified to fill the Office of Clerk of the Circuit Court.

George L. Stocksdale, a lawyer for more than 30 years, familiar with all the duties, is best qualified person seeking the office of Clerk of the Circuit Court.

George L. Stocksdale has been asked if he would take the position of Deputy Clerk in event he fails to be nominated in the Primaries September 9th, 1921. Positively no!

Admitting Mr. Stocksdale is best qualified; and has been asked to take the deputy clerk-ship in event a REPUBLICAN Clerk is elected, is a complete answer who and why you should vote for Geo. L. Stocksdale the person best qualified for Clerk of the Circuit Court.

Respectfully,

Three Parties To A Telephone Call

IT is always well to remember that good telephone service does not depend entirely upon the operator.

There are two other persons involved—the person calling and the person answering—and over their movements the operator has no control. She may do her part very efficiently, but unless the others co-operate, the best results will not be had.

It is not the fault of the operator, for instance, if the calling party, relying on his memory, calls for a wrong number or hangs up his receiver in the middle of a conversation. Neither is it the fault of the operator if the called party fails to answer promptly or is already engaged in conversation with another person.

Good telephone operating is brought about by co-operation on the part of the party calling, the operator and the party called.
