JONES

Albert Jones, aged 79 years, died at his home in Baltimore, Sunday, after a lingering illness. Having lived for years in Mt. Airy, where he conducted the banking firm of Jones and Company, Mr. Jones was well known in this section of the State. Later he moved to Baltimore, where he has since made his home. For years he served on the Board of Visitors of the Maryland School for the Deaf, acting as secretary, and resigned this office in June last. He was also associated with other institutions in Maryland. Mr. Jones was a son of the late Francis S. and Harriet Downey Jones. His wife, who was Mrs. Nannie Poole Jones, died some years ago. He leaves three daughters and one son, Misses Margaret, Nettie and Nannie Jones, at the home, 216 West Lanvale street, Baltimore, and C. Poole Jones, of Frederick. Funeral from the late residence on Tuesday afternoon at 2 o'clock with services at the house, interment private.

Married at Krider's Reformed parsonage by Rev. J. W. Reinecke, this city, on Wednesday evening, September 7, Rodney Glenn Haines and Fannie Naomi Yingling.

SANDYVILLE

Rally Day Service will be held at Sandy Mount Sunday morning, October 9, at 10:30. The same evening, a Christian Endeavor rally will be held.

Prominent speakers will be present from Baltimore. The Y. P. B. will be held at the home of Mr. and Mrs. Edward Martin, Thursday night, September 15. Members cordially invited to be present. Farmers are getting out potatoes which are a small crop.

PIKESVILLE THE VICTIMS.

Last Sunday, September 4, nearly 1000 base ball fans visited Hill Top Park, Patapsco, and saw the Patapsco boys defeat the strong Pikesville Club 11 to 4. Shamer, who pitched for the Patapsco boys, had the visitors at his mercy, striking out 17 of those heavy batters. This Sunday, September 11, the well known Crown, Cork & Seal team of Baltimore, will visit Patapsco for a double header and the fans can look for two of the best games of the season. Country Evans will twirl the opening game for Patapsco, while Shamer will be held responsible for night cap. On Sunday, September 18, the Calverton Club will visit Patapsco and on Sunday, September 25, the Patapsco boys play the Hamden team at Roosevelt Park, Baltimore. Don't forget the above dates and places if you want to see real base ball.

WILL POSTAGE STAMPS GO OUT?

After nearly a hundred years of "licking" postage stamps to put on letters and packages, it seems that stamps have seen their best days. Already much of the third class and even of the second class, have envelopes and wrappers with a United States P. O. "Permit" printed, and no stamps are needed. The money is paid at the postoffice for the envelopes and wrappers. A recent newspaper article is as follows: "The Post Office Department has approved a machine which may be rented by private persons and which will print upon letters the words, 'United States Postage, paid, 2 cents.' After the machine has stamped as many letters as postage has been paid for, it will stop, and has to be taken back to the postoffice to be reset. This has reference to first class mail."

A BOUQUET FOR HANOVER

Hanover is a thriving little city, which cannot be denied. In the past 20 years, there have been many business depressions and failures in the commercial world. Instead of being discouraged, Hanover took fresh courage, some of her sons invented new, useful articles, had them patented, gathered together capital employing many men who naturally would emigrate to other towns. Extreme scarcity of houses, at all times, is the best sign of prosperity.

Sparks Circus is 20th Century Wonder Show.

NEARLY TWICE AS BIG AS OF FORMER YEARS—MERGE BEST FEATURES IN MAMMOUTH NEW CIRCUS—BIGGER, BETTER THAN EVER ARE TO GIVE EXHIBITIONS HERE WEDNESDAY, SEPT. 21ST.

For many years the Sparks Circus has been known as one of America's foremost tented enterprises, each year something new has always been added until now it ranks among the best of the "big tops" and this season with one of the greatest array of performers, horses and equipment ever before carried, promises to be a banner one. When the show visits this city it will be exhibited in its own specially constructed tents. It is said that the Sparks Menagerie is equal to any on the road today. A magnificent introductory pageant and grand revue enlisting several hundreds of performers, companies of horses and gor-

geous paraphernalia, opens the main tent program. This program presents many of the worlds stars of the arenic world assisted by scores upon scores of others. There are several companies of dumb actors. Everything is given in a more lavish fashion than ever before. Three rings and an elevated stage are needed to take care of the acrobatic and musical seals, trained bears, lion acts and the famous Sparks herds of elephants and a long list of acts which requires nearly two hours to present. This 20th Century Wonder Circus has become one of the greatest institutions on the road today and just as there are more men and women, more seals and more elephant actors added—so, there are more clowns, more horses, more ponies, to delight the children more and better trained dogs, monkeys, bears—more everything. The street parade which will precede the initial exhibition here is far and away the most novel ever attempted. This city will see the circus on Wednesday, September 21st.
