

**AID SOCIETY MEETS.**

The last meeting of the Ladies' Aid Society of Ebenezer Methodist Episcopal Church was held September 1, at the home of Mrs. Morley Farver with a good attendance, there having been seventy-six members, and visitors present.

The meeting was called to order by the president, Mrs. L. V. Zile. After scripture reading and prayer the regular routine of business was transacted and a splendid program, consisting of reading, singing and recitations was rendered. A good collection was received at the roll call.

Refreshments, consisting of watermelon, cake and lemonade were served.

The next meeting will be held October 13, at the home of Mrs. Laura J. Cover, Winfield.

**A. L. BOYD, Manager.**

**Test this Gasoline for Yourself, on the Road**

HOWEVER sincere one motorist's statement may be, his experiences with his car cannot be applied exactly to your operation of your car. Most drivers know that individual cars have peculiarities.

We do not ask you to use the improved "Standard" Motor Gasoline simply because you have heard that it is the best on the market. We want you to try it for yourself, according to your own requirements. On a basis of results, alone, we would gladly have you decide whether or not you should use it regularly.

"Standard" Motor Gasoline is a light, volatile fuel which

enables your car to start easier and run more smoothly. It has extra pulling power. The recent improvements in the product, made possible by the work of our Development Department, have made "Standard" Motor Gasoline the best obtainable.

But remember that the final test of gasoline quality is how it performs in your motor. Try "Standard" Motor Gasoline for yourself under varying road and weather conditions. It will pay you to begin at once.

A great combination is "Standard" Motor Gasoline for power and Polarine for lubrication.
