GO TO THE RESCUE

Don't Wait 'till It's Too Late—Follow the Example of a Westminster Citizen.

Rescue the aching back. If it keeps on aching, trouble may come.

Often it indicates kidney weakness. If you neglect the kidneys' warning.

Look out for urinary disorders. This Westminster citizen will show you how to go to the rescue.

Mrs. J. J. Henson, 54 Pennsylvania Avenue, says: "I suffered with a severe attack of kidney trouble and had severe pains across my back. The pains were so great I couldn't take a deep breath or do anything. My head would ache too. Relatives told me of Doan's Kidney Pills and I procured a box at the Shaw Drug Co. I found immediate relief. I can recommend Doan's very highly and owe them a great deal. A kidney sufferer should use Doan's."

The above statement was given August 9, 1916 and on December 11, 1920, Mrs. Henson added "The cure Doan's Kidney Pills made for me has been a lasting one. I am always glad to recommend them."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Henson had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

"Identical!" says Bamboschek

Bamboschek knows every little throb in Muzio's voice. He is the principal conductor of the Metropolitan Opera Company, and she is the Metropolitan's prima donna soprano. Bamboschek recently heard Muzio compare her voice with its RE-CREATION by the New Edison. This was his signed verdict: "The quality of Miss Muzio's voice and the quality of its RE-CREATION by the New Edison are identical."

The NEW EDISON

is the only phonograph which sustains the drastic test of direct comparison with the living artist or artists. It is the only phonograph which brings the actual performances of living artists to your home.

And now this marvelous instrument enables you to utilize the full benefits of music beyond mere entertainment. Under Mr. Edison's direction, famous psychologists have just completed a 2-year research into effects of music on the minds and moods of mankind.
