## WOMAN, 67, WORKS IN GANG

Lynn, Mass., Oct. 10.—Mrs. Laura M. Sutherland, 67, wife of a Grand Army veteran and mother of three children, all married, took a pick and shovel and joined a gang of Italian workmen today when they commenced repairs on a street railway track in North Saugus, so transportation service may be resumed. Mrs. Sutherland remained on the job until 5 o'clock this afternoon, saying she wished to do her bit so residents in the neighborhood may have trolley car service restored quicker.

"I hope I will be able to put the trolley on the wire and start the first car when service is resumed, and have all my neighbors as passengers," Mrs. Sutherland said tonight. The public trustees of the railway suspended service because it was a portion of their lines which did not produce revenue enough to pay for operating.

## Indigestion

Many persons, otherwise vigorous and healthy, are bothered occasionally with indigestion. The effects of a disordered stomach on the system are dangerous, and prompt treatment of indigestion is important. "The only medicine I have needed has been something to aid digestion and clean the liver," writes Mr. Fred Ashby, a McKinney, Texas, farmer. "My medicine is

## The reason for the continued good health of some children is simple enough

Especially when you know the facts, some of which are given here

EVERY mother is proud of a healthy, strong youngster that radiates buoyant life and energy. She has reason to be proud, because the child's good health proves her wisdom in the selection of the food she gives her boy or girl.

All mothers should know that growing children require a balanced diet, a diet containing the food elements needed for building and energizing the little body.

Grape-Nuts, the rich, nourishing food made from whole wheat flour and malted barley, served with milk or cream, contains the materials the child needs for its best growth and development.

Grape-Nuts helps make sound teeth, strong nerves and pure red blood, and for the palate there is nothing more wholesome or delicious.

Go to your grocer today and get a package of strength-giving Grape-Nuts. Let the children have all they want, with milk, cream or stewed fruit, or made into an appetizing pudding. Grape-Nuts is a food that will be relished by every member of the family.
