HOOSIER

THE SILENT SERVANT WITH A HUNDRED HANDS

What farmers need in Westminster is a Comfort Station. All will agree that the accommodations which a comfort station furnishes are greatly needed and absolutely necessary in a country-seat with so many visiting farmers.

The financial problem may seem large to handle at this time. Some may say, "This is not an opportune time for such an undertaking." Is it not always an opportune time for anything that deals with the health and comfort of the public? Especially is this true when the contributors derive a direct advantage from their contributions as they would in this case. I, every farmer in Carroll county who visits Westminster and has felt the need of such a station would contribute what he thinks it would be worth personally to him, the problem would be solved.

There is no doubt about the co-operation of the people of Westminster in such a project. The farmers of Carroll County patronize the stores of Westminster and the storekeepers should be especially interested in a comfort station that would furnish the accommodation that their country patrons are not provided with. Furthermore as the whole town would derive a great benefit from a place of this kind it too should be interested.

REDUCED PRICES on Discontinued Patterns in HOOSIER CABINETS

HOOSIER Cabinets have always been sold at low prices, which have been fixed by the factory at a figure consistent with the great economies made possible by HOOSIER'S quantity production. Heretofore it has been impossible for any dealer to offer the HOOSIER at a discount.

But right now we have on hand a miscellaneous collection of HOOSIER Cabinets in models that have been discontinued. We have received permission from the makers to put special prices on these particular cabinets in order to clear them out.

The values are so unusual, and the reductions so drastic, we do not expect to be able to continue this offer very long. If you are wise, you will come in at once and select one of these specially priced HOOSIERS. The opportunity may not occur again in a lifetime.

The models offered in this sale are genuine HOOSIER Cabinets. Each bears the name and is backed by the endorsement of the Hoosier Manufacturing Company. It will certainly pay you to buy while our supply of these reduced-price-models lasts.

TAKES DRIVE WITH BODY OF WIFE HE KILLED

MISSOURIAN, AFTER MOTORING AN HOUR WITH DEAD MATE, ENGAGES ATTORNEY AND SURRENDERS.

Kan—City, Mo., Oct. 30.—A man killed his wife at Swope Park last night, placed her body in a motorcar beside him, and drove around for an hour.

Benjamin R. Rowland, 32 years old, patched up domestic differences, following a quarrel yesterday, and decided to have a picnic at the park. He rented a motorcar while his wife fixed some sandwiches.

Reaching the park, they halted and prepared to eat. The quarrel was resumed and, according to Rowland, when he came to his senses, he found the body of his wife in his arms.

Wrapping his overcoat around her he placed her in the car beside him, and drove around awhile before deciding to go to the home of his brother, C. B. Rowland.

Rowland left the body in the car across the street while he went to call his brother. The two then called an attorney and went to the police headquarters, leaving the body in the coupe.

At headquarters C. B. Rowland told Captain Anderson: "My brother killed his wife. He wants to give himself up."

Many Holtville people will be glad to learn of the marriage of Miss Audrey Chaney to William C. Starner, of this vicinity. The nuptials occurred Sunday morning at the home of Mrs. Annabel Hull Chaney, at Pomona.

After a brief honeymoon spent on the coast, the young couple will return to Holtville, where they will make their future home on a ranch southeast of Holtville.

The bride will be remembered as the second daughter of Mrs. Chaney formerly of this city, and is a sister of Homer C. Chaney, who lately has made his home on the coast.

The groom, W. C. Starner, is a well-known rancher of Holtville, having lived here for nearly eleven years. He is a son of Mr. and Mrs. Jacob D. Starner, of Westminster.

100 GALLON STILL CAPTURED

OUTFIT FOUND AT LOUISVILLE SAID TO BE LARGEST EVER TAKEN BY BALTIMORE AGENTS—SEVEN MEN AND BOY FLEE—ARE FIRED ON, BUT ESCAPE.

What is said to be the largest still ever taken by the Baltimore prohibition officers was seized yesterday in Carroll county. The still was found on the farm of J. B. Edmondson, at Morgan Run, near Louisville. It had a capacity of 100 gallons.

Seized with the still were five large vats containing 500 gallons of distilled liquor. The officers poured out most of this on the ground. The still which was so large that it had to be roped to the bumper of the officers' automobile was brought here and attracted a large crowd of citizens to take a look at the curiosity, before it could be taken to Baltimore.

Seven men and a boy were operating the still when the officers drove up. They scattered in haste when the officers were some distance off. None of them were caught and none recognized. A fire was burning under the still and a run was being made.

The "tip" that there was a still in the vicinity of Morgan Run came to State's Attorney Theodore F. Brown at 2 a. m. yesterday. He notified Baltimore office of the Federal Prohibition Department, and two agents, H. D. Parks, and W. P. Fincham, were sent here. They were joined by Deputy Sheriff Blizard and proceeded in an automobile to Morgan Run.

When the automobile approached the group gathered about the still scattered. The officers, jumping from the machine, called on the fugitives to halt. When the quarry kept running the officers fired several times, but they do not think any of the bullets found their mark.

Two bags of whiskey was also confiscated by them.

MOUNT TISCARORA

Monday being Halloween the Mayor issued an order, stating all gates should be taken off and put in the cellars, wagon shed and barn doors double locked, muskets loaded and in working order, and sidewalks hung over the doors by sundown, so the night passed quite peacefully with one exception. Who stole Bud Seip's grill?

During the excitement that followed, Snyder got mixed up and put an old inner tube on the spout and blew a real "Hot Dog."

C. C. SHRIVER DEAD—WAS BORN AT UNION MILLS

Christopher Columbus Shriver, Civil War veteran and for more than half a century an officer of the Metropolitan Savings Bank, of which he was for the last 33 years president, is dead.

Mr. Shriver, who was one of the best-known men in the financial district, died at his home, 1315 North Calvert street, Baltimore, at 9.30 o'clock Sunday morning. He had been ill about five weeks and his condition had for some time been recognized as critical. His wife and members of the family were with him when the end came. He was 81 years old.

Until his illness Mr. Shriver was regularly at his desk in the bank, the duties of which he had left seldom during his lifetime. His widow, who was Miss Cora Payne, of Warrenton, Va., whom he married in 1889, survives. There are no children. Other survivors are two brothers, B. Frank Shriver, of Union Mills, and Mark O. Shriver, of Baltimore, and two sisters, Miss Mary Owens Shriver, of Union Mills, and Sister De Sales, of St. Joseph's Convent, Emmitsburg.

Mr. Shriver was born at Union Mills, on March 31, 1840. His parents were William Shriver and Mary Owens Shriver. His early life was spent in Union Mills. He was for a short time in the employ of Hervey, Shriver & Co., then commission merchants in Baltimore.

Upon the outbreak of the Civil War he entered the Confederate service. He was for a time in the medical department at Richmond, but when the field served as a sergeant in Company I, First Virginia Infantry. He left the service in Danville in 1865.

The Metropolitan Savings Bank was incorporated by an act of the General Assembly of Maryland in March 1867, and at a meeting of the incorporators in June of that year, Mr. Shriver was elected the first secretary-treasurer. He was continuously in the institution's employ from that time. The original name of the bank was the Beneficial Savings Fund Society of Baltimore, but this was changed in 1876 to the Metropolitan Savings Bank of Baltimore.

His funeral was held Wednesday at 10 a. m. in the Cathedral. Burial was in the New Cathedral cemetery.

TO GIVE THE ORATORIO, "ELIJAH"

The Western Maryland College Choral Club has decided to give the oratorio, "Elijah," by Mendelssohn, some time during the month of June next. This club is selected from the student body of the college and the choir and singers of Carroll county. Persons living outside of the county who are able to meet for rehearsal are invited also to sing in this chorus.

Last year the chorus that gave Handel's "Messiah" was composed of about two hundred voices. The wonderful success of that presentation leads to the hope that at least three hundred voices can be secured for this oratorio.

Mendelssohn's Elijah ranks as a musical production next to Handel's Messiah, although some musical critics prefer Elijah to the Messiah. It is given annually in New York City and other musical centers. An unusual opportunity is presented to all lovers of music who are interested in music to join in this chorus, and the wish is expressed that the singers of Carroll county will respond at once to the invitation to join.

A rehearsal for organization will take place in Smith Hall, Western Maryland College, Friday evening, November 11th, at 7.30 o'clock. Following the rehearsal there will be a social hour to enable the members of the chorus to get acquainted.

A. N. WARD, President of Western Maryland College.

The second meeting will be at 7.30 p. m., at St. Mary's Lutheran Church, Silver Run, for the Endeavorers of our county. Myra district, but of the surrounding community.
