**Genuine
Common Sense**

Many Ford owners can afford to own and operate any car they may choose, but they prefer a Ford "because it is a Ford."

For "because it is a Ford" means dependability, ease of operation, efficiency—and it means sure, quick transportation.

And "because it is a Ford" means good taste, pride of ownership and genuine Common Sense.

The Ford Sedan, a closed car of distinction, beauty and convenience, is the ideal all year "round" car, for pleasure or business—for the farm, town or city. It gives you all that any car can give at a much lower cost for operation and maintenance.

Ford Cars of all types are in great demand, so place your order at once if you wish to avoid delay in delivery.

Democratic Candidates.

The ticket presented by the Democratic Party to the voters this fall is made up of men exceptionally well qualified to all the offices they seek. It is impossible to give a sketch of their lives, but we desire to call attention to each one in an exceedingly brief way.

JOSEPH B. BOYLE.

For Clerk of the Court is Mr. Joseph B. Boyle, of Westminster, born and reared in the County he is well known to many of our people as he has been engaged in the drug business for over forty years. Every one that knows him realizes that he will bestow care and attention upon the office, and will take pride in seeing that the work of this important office is properly performed. He has two sons, both of whom served in the late war.

MILLARD H. WEER.

Mr. Weer is the candidate for Register of Wills, is 42 years of age and is from Sykesville. He is a man of ability and was cashier of the First National Bank of Sykesville before it was consolidated with the Sykesville National Bank. He is now postmaster at Sykesville and will bring to the performance of his duties knowledge of accounts and business which enable him to readily perform the duties of the office he seeks.

FRANCIS L. HAHN.

"Lout" Hahn as he is familiarly and lovingly known by his friends is from Hampstead. His face is not a new one to the people of the County as he was twice elected Treasurer and none ever filled this office more satisfactorily than he. He will bring to the discharge of his duties a ripe business experience fortified with the pre-conceived notions of economy and thrift in County affairs that were imbedded in him while serving his term as Treasurer, for at that time the late David Stoner was President of the Board of County Commissioners.

SAMUEL J. STONE.

Samuel J. Stone of Westminster, has been County Treasurer for two years; before that time he was Treasurer and Collector for the town of Westminster, where he gained that experience in public accounting which well fitted him for the performance of the duties of his office.

WILLIAM H. BOWERS.

For Sheriff is William H. Bowers of Westminster, and there is no man better qualified for this office in the County than Mr. Bowers. He is 49 years of age, was born and raised at Pleasant Valley. His father, John Bowers, carried on blacksmithing in that village for 25 years. For seven years Mr. Bowers followed the contracting and building business in Baltimore. The balance of his life has been spent in Carroll County.

Mr. Bowers was the promoter of the bus lines in this county. He started and operated both Hagerstown and Gwynn Oak Bus Lines until disposed of to other parties.

HOUSE OF DELEGATES.

FRANK J. BRANDENBURG of Berrett, is a farmer, he has taken much interest in everything pertaining to Agriculture and is well and favorably known all over the County.

C. SCOTT BOLLINGER, of New Windsor, is also a farmer and like Mr. Brandenburg, has taken deep interest in agriculture, attending every National Convention of the Grangers. His interest in agriculture was the main reason that induced him to seek this position.

EDWARD S. HARNER, of Taneytown, fifty years of age, and the son of the late Jonas Harner, at one time County Commissioner of this County. He taught school for eighteen years and afterwards farmed for about 12 years and then retired.

GEORGE S. MOTTER of Manchester, belongs to a family identified with Carroll County and is well and favorably known in the county. He is about 50 years old.

JOHN J. JOHNS.

Candidate for Surveyor is from New Windsor and is a professor from Blue Ridge College; it is unnecessary to state that to the office of Surveyor he will bring thorough and exact knowledge of its duties.

**WAYNESBORO SECTION BOLTS
REPUBLICAN FOLD**

**FIVE HUNDRED ASSEMBLE AND
FORM ASSOCIATION TO OPPOSE
PARTY LEADERS**

Five hundred citizens of Waynesboro and nearby towns assembled in mass meeting in the Arcade Theatre, Waynesboro, Pa., Monday evening and laid the foundation for what will be a permanent organization of the business men and farmers of the southern end of Franklin county to promote good roads and other interests of this section and to see that it shall not be robbed of its rights and just dues by political leaders who are interested primarily in Chambersburg development and interests in the northern section of the county.

The meeting was presided over by Val Smith, president of the local Chamber of Commerce, who in a keynote speech declared Waynesboro and the southern end of the county had been made the football of the Republican political leaders to whose alleged machinations the hold up in road development was directly charged.

POULTRY SHOW ENTRIES EXCEED EXPECTATIONS—COMPANY H TO DRILL ON COLLEGE CAMPUS NOVEMBER 19.

The main floor of the State Armory at Westminster will be taxed to the limit to accommodate the display of poultry entered for the Mid-State Poultry Show, which commences on November 15. It was considered necessary by the management to restrict the display booths for poultry feeds and supplies to one side of the Armory only in order to place additional cages on the other side. Interest in this show is indicated by the fact that entries from as far west as Wisconsin have been received. It will be undoubtedly one of the largest and finest displays of poultry ever presented in Maryland.

In addition to the show itself, the meetings arranged for the week lend an educational value to the undertaking that gives it a unique position among poultry shows. On Wednesday, at 5 p. m. in Firemen's Hall, the poultrymen of Maryland will meet for the purpose of forming a State organization. On Thursday afternoon in the same place, a meeting will be held that will take the form of a general rally of all those interested, not only in poultry, but in general agricultural matters. At this meeting it is expected that the recently organized cooperative association formed by the farmers' organizations of Maryland will be explained by representatives of the movement. Friday afternoon the boys and girls of the county will meet and among the features presented will be a practical demonstration of the use of and care of eggs, by Miss Rachel Everett. Mr. E. J. Jenkens, in charge of boys' club work in the State will also make an address. Free tickets will be distributed through the schools of the county for Friday.

A rest room and restaurant will be maintained in the basement of the Armory throughout the show.

All those wishing to participate in the "Poultrymen's High Jinks at the Hotel" Westminster on Wednesday evening, will kindly notify some officer of the association as soon as possible. Tickets \$1 each.

The following statement has been issued by the Executive Committee of the Carroll County Poultry Association, Dr. G. Lewis Wetzel, chairman.

"Our association has undertaken to give to Carroll County something the magnitude of which has never been undertaken by an agricultural organization within its borders. We are presenting a poultry show that would do justice to any large city in the United States. It has been made possible by the splendid cooperation of the business interests who have contributed liberally, but its complete success will not be attained unless the people of the county turn and take full advantage of the attractions offered. We wish to add that the poultry show has been arranged through the efforts of the officers without hope of compensation either to themselves or to the association."

On Saturday afternoon, November 19, Company H, Maryland National Guards, will give a competitive drill on the campus of Western Maryland College, for prizes offered by the poultry association. Adjutant General Reekford and other State officials will be present.

**AN APPRECIATION AND THE
NEXT STEP**

The Carroll County Sunday school Association through the Superintendent of adult work, Rev. W. C. Parrish, desires to express its enthusiastic appreciation and thanks to the press of Carroll County and to every other agency, group or individual that helped in any way to make the great demonstration in Westminster last Sunday such a success. Only by the most splendid co-operation is such a thing possible. We wish to even mention their names here would far exceed our available space. "Virtue brings its own reward," and so we trust in this case the satisfaction of duty well done, will suffice.

Now as to the next step. Beginning this Sunday, Nov. 6, and continuing one month there will be throughout the county a campaign in every school to increase the membership of all adult classes 25 per cent. If your class has 20 members at present, it means get 5 more. If 40 members, get 10 more, and so on. This applies to both men's and women's classes.

The Association wants to add 500 new names to its rolls in the next four weeks. It can be done if all will work.

**HEADS CARROLL MEDICOS
DR. PERDUM ELECTED PRESIDENT OF COUNTY ORGANIZATION.**

The fall meeting of the Carroll County Medical Society was held at the Westminster Hotel, October 27. With about 30 physicians present from Carroll and Howard counties, Dr. H. D. Perdum, of Springfield State Hospital, was elected president; Dr. G. Lewis Wetzel, of Union Mills, vice-president; Dr. C. Leviae Billingsley, of Westminster, secretary and treasurer.

Miss Sarah Haman, county nurse, made her report on inspection of pupils in schools and assistance in care of tubercular patients. Reports of physicians and statistics from the State Health Department showed that the incidents and morbidity of typhoid fever in Carroll county was less than in any other county of the State. Addresses were made by Dr. M. C. Pincoffs, head of the medical department of the University of Maryland, and by Dr. V. L. Callen, head of the State Tuberculosis Sanatorium.

**ENTERTAINMENT TO BE GIVEN AT
ARMORY**

A musical and elocution recital will be given at the armory, Tuesday, November 22. The names of the participants are sufficient guarantee delightful entertainment. All of them are well known in Westminster. Prof. Hobart Smock, tenor and reader, has delighted Westminster on former occasions. His singing and his inimitable character stories alternately move his audience from tears to laughter. We announce with pleasure Mrs. Katharine Slagle Ramsay, soprano, who contributed so much by her singing and acting in the Princess Bonnie Opera given here last spring. Her superb voice will be equally enjoyed in concert work. Harry Gerhold, who is considered Baltimore's best baritone, will be remembered by some of the musical players of the city. Mrs. Noah Schaeffer, accompanist. The names of the participants are sufficient guaranteed that the entertainment will be of exceptional artistic merit and of a most pleasing character. The proceeds will go to the Lutheran church organ fund.

BIG PETITION ON DISARMAMENT.

During the past few weeks Mrs. Edward C. Bixler, of New Windsor, has been busily engaged in securing signers to a petition in favor of Disarmament. It has been circulated under the auspices of the W. C. T. U. of that place. The petition has been mailed to Hon. Chas. E. Hughes, Chairman of the American Delegation to the International Disarmament Conference, to be held in Washington November the eighth. The petition carries the names of five hundred and ninety persons from all walks and professions of life living in the vicinity of New Windsor.
