WEDDINGS.

BILLINGSLEA-KNOWELS
John Smith Billingslea, son of Mrs. Charles Billingslea, East Main street, was married Saturday at 12 o'clock to Miss Francis Knowles, of Oregon, N. J. The ceremony took place at Drexel Hill, Pa., just outside of Philadelphia. Only the immediate members of the two families were present. After the ceremony the bride and groom left on a trip and upon their return they will reside in this city.

LOVENEIN-ADAMS

A pretty wedding was solemnized at St. John's Catholic Church, Westminster, Tuesday, November 15th, at 8 o'clock a. m., when Miss Clara Agnes Adams, daughter of Mr. and Mrs. Charles L. Adams, became the bride of Mr. Hubert Smith Lovenein, son of Mr. and Mrs. Andrew Smith Lovenein of Cumberland. The ceremony was performed by Rev. Thomas E. McGuigan, pastor. A very pretty musical program was rendered by Prof. Henry J. Myers, Jr. and daughter, Eloise; Mrs. William R. Black, Miss Ethel Fountain, Miss Kathryn Orendorf, Gloyd R. Adams and William L. Adams, all of Baltimore, Miss Gertrude G. Applier and Mr. J. C. Wilson, of near Mt. Airy, and Mr. and Mrs. Charles L. Adams and Cora and Mary Adams.

KOPP-GENTZ

A quiet but pretty wedding took place Wednesday afternoon, November 2, at 5 o'clock when Miss Eva Hatfield Gentz, only daughter of Mr. and Mrs. Gentz, of Lineboro, Md., became the bride of Stuart Albert Kopp, son of Mr. Leonard Kopp, of Auburn, Illinois, and nephew of Mrs. Carroll G. Wareheim, of Lineboro, in the Lazarus Church at Lineboro, Md. Mr. Kopp has lived with Mr. and Mrs. Carroll Wareheim for the past year.

The Rev. R. R. Richard, pastor of the church, performed the ceremony in the presence of a few close relatives and friends. The wedding march from "Lohengrin" was played as the bride party approached the altar by Mrs. Elmer H. Gentz, a sister-in-law of the bride. The ring ceremony of the Evangelical Lutheran Church was used. The bride wore a brown traveling suit and a corsage bouquet of carnations and ferns. Immediately after the ceremony Mr. and Mrs. Kopp left on a wedding trip by automobile to Baltimore, Washington, D. C., and other Eastern cities. Upon their return they will make their home for the present at Lineboro, Md.

PITMAN-WILES

Among the pretty fall weddings was that recently of Miss Helen Adele Wiles, of Union Bridge, and Robert E. Lee Putman, of Frederick. These two young people motored to the residence of the uncle of the bride, Rev. Charles P. Wiles, D. D., of Philadelphia, Pa., who performed the ceremony. A wedding breakfast was served and the couple motored to Atlantic City for their honeymoon. The decorations for the wedding were fall flowers and autumn bouquets. The bride wore a traveling suit of brown duvetyne, with hat to match.

SUNDAY SCHOOL

CLASSES FORMED.

The interest in Bible Class work, following the great parade and mass meetings in Westminster on October 30th is still being maintained. Two new classes have been formed. St. Matthew's Union has organized with 23 members. St. James' Methodist Episcopal South reports a new men's class of 24, while Dever Park Methodist Protestant has definite plans on foot for a new organization. Many other classes are striving for their 25 per cent increase. Definite reports have come from Carrollton Church of God with six organized classes and an increase of 13; Grace Lutheran of Westminster, one new member in Women's class; New Windsor Men's class has increased one and the young ladies class of Stone Chapel has five additions.

The Sykesville Herald says: "Frank J. Brandenburg was defeated for Delegate. We write it to the shame of Carroll County. Mr. Brandenburg has always stood for the clean thing, the moral and best things in civic life. We have known him for years, and have admired him ever since we have known him. He is a man who can be depended on to be right himself, and to help others to see the right. He would have made an ideal representative of this County at Annapolis, and his defeat is a distinct loss to the people."

She attended the public school at Mt. Airy and was a member of both Prospect and Calvary Methodist Episcopal Sabbath schools. On her 10th birthday she took an active part in the Sunday school rally program at Prospect and contributed her part by reciting in her usual lively and interesting way. At school, in the Sunday school, on the playground, or in the home circle Oliver was always ready to do her part, and her lively little speeches on many a festive occasion will be long remembered by those whose privilege it has been to hear them.

Besides her heart-broken parents she is survived by two sisters and a little brother. Funeral services were conducted at Prospect Sunday afternoon by the pastor, Rev. F. R. Isaac. Four of her school associates acted as pallbearers and 12 little girls from her Sunday school class acted as escort of honor and sang her favorite little song, "The Be a Sunbeam for Jesus."

RECITAL TO BE GIVEN IN ARMORY

If the old saying, "laugh and grow fat," is a true one we expect to see a perceptible increase in the waist line of many citizens of Westminster next week. The recital to be given at the Armory under the auspices of the choir of the Lutheran Church, this city, Tuesday evening, November 22, will appeal to all those who appreciate humor and music. Mr. Snack in his character sketches, his imitations of the brogue of the Irishman and the dialect of the negro and his humorous stories is unsurpassable. The musical part of the program will be given by Mrs. Katharine Slagle Ramsay, who sang the leading part in the Princess Bonnie Opera last spring and who has repeatedly delighted Westminster audiences. Harry Gerhold, who may safely say, Baltimore's best baritone and Mr. Snack, Noah Schaeffer at the piano. Additional music will be furnished by the Westminster orchestra under the direction of Mr. Albert Mitten. Tickets 75 cents on sale at Shaw's Drug Store and by members of the choir. Piano furnished by Nace's Music Store.

A S. S. TEACHER FOR 78 YEARS.

It is indeed interesting to read the account of the early life of Mrs. Hannah Bradbury, of Richmond, 92 years old, who taught a Sunday school for 78 years, and is still at it. In her 'teen days she taught subscription school, being paid \$1.00 per month for each pupil, earning about \$15.00 per month. She never danced in her life, and never attended the movies, but she voted at the last election, and thinks it is the duty of every American citizen, man or woman. "In my girlhood days," said Mrs. Bradbury, shoes were a luxury, as people would carry their shoes up to very near the church, where they would wipe their feet, and put on their shoes to enter the building."

WM. ALBAN'S HOUSE DESTROYED BY FIRE.

Friday morning, shortly before noon the house of William Alban, near Alesia, was totally destroyed by fire with particularly the entire loss of its contents, including all the family clothing and furniture. Mrs. Alban was in the basement washing, when she smelled smoke. Going to the outside she was surprised to see the entire upper stories of the house afire. Going back into the basement she was able to save a few potatoes, some canned goods and a little of the furniture there. It is supposed the fire was caused by a defective flue. Neighbors and relatives are caring for the family which is moderately situated financially.

The State Roads Commission have two automobile truck snow plows rigged up ready for use. These plows clear away snow drifts and open up State roads for the traffic.

Mrs. Leo Darr, who has been visiting her mother-in-law, Mrs. Mary A. Darr, on Washington avenue, this city, returned to her home in New York city on Thursday.

Suspected of being implicated in robbing nearly a dozen homes in the summer resort region of the Blue Ridge mountain in the vicinity of Charman, Frank McSherry of Hagerstown, was arrested and committed to jail.

A bumper crop of corn was realized by Mr. Joseph D. Wimer, near Taney, from 3/4 acres. The yield was 17 1/2 barrels to the acre. This crop was struck by three storms and damaged and the owner was of the opinion that he would receive but third of the yield. He would like to know who can beat it?

The number of sheep in America has decreased from 22,500,000 head in 1910 to less than 25,000,000 head in 1920, according to statements made before the United States Senate Finance Committee at Tariff Hearings by representatives of the National Sheep and Wool Bureau of America.

PUTTING THE CART BEFORE THE HORSE.

When all the world wants disarmament, especially the larger and stronger nations, including England, when the world is tired of shot, shell, death, suffering, cripples and invalids,—all caused by War, the Grim Monster, comes the sad news that Britain is to build four large warships until 1925, and they are to carry 16-inch guns. Pray, what does Britain want with them? Does not Britain know that countries are like small boys, apt to imitate, and soon other countries will pass such resolutions.
