UNION MILLS
The church bells at Silver Run rang in the new year at midnight on December 31st.

Two minor automobile accidents occurred last week on the state road, near Veiser's store. A machine driven by Guy Stover, of Littlestown, ran into the rear end of the buggy of William Bish and damaged it considerably and the large touring car of Miss Leah Fessler, of Silver Run, collided with the automobile of a York, dry goods drummer as it was about to turn around and the latter machine had to be taken to a garage for repairs. No one was injured in either accident.

GETTYSBURG HIGH WINS
On Tuesday evening, one of the most exciting games ever seen in the Army and Westminster High. Last week our team played at Gettysburg and were defeated by a large score. Our team did not expect to win the home game but were determined to make a much better showing against their rivals in the second game.

Gettysburg did not get started well and at the end of the first half the score stood 11 to 10 in favor of Westminster. During the second half our team again took the lead and the home rosters were cheering for a victory. Gettysburg however came back strong and when the whistle blew the score was tie 21 to 21.

An extra five minute period was used and the endurance of the visitors was in their favor, for they won by

the score 22. Even though we lost, every was well pleased with the game.

YES, CHESTNUT COAL IS FINER THAN IT USED TO BE. IT'S MORE ECONOMICAL THOUGH.

The operators have changed the size, letting more fine coal go into Chestnut. Had they not done this, Nut coal would have been much higher in price. It doesn't burn away as fast as the larger size.

Although money can not heal the wounds of sorrow borne by Mr. and Mrs. Monroe Markle, Allegheny Avenue, whose three little boys, Melvin, aged 8; Harold, aged 6, and Clair, aged 4, were fatally burned on the afternoon of December 23, dying a few hours later, yet it can be of aid, and the sum of \$637.81 has been handed to the parents by Chief of Police Jesse Crabb, who made a canvass of citizens, which was responded to liberally.—Hanover Record.

Charged with the misdemeanor of fraudulently voting twice in the district on the same day at the general elections held in Adams county on the eighth of last November, Guy F.
